

High Speed Roll To Roll Solution SMT Mounter FPCB SMT Pick And Place Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE,CCC,SIRA
- Model Number: HT-T9
- Minimum Order Quantity: 1 set
- Packaging Details: Packing in film package and foam cotton, and covering vacuum bag within sturdy wooden boxes.
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

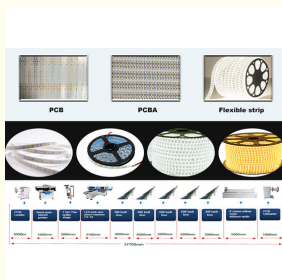

Product Specification

- Warranty: 1 Year
- Condition: 100% Original
- Product Name: Place Machine\ LED Mounter\LED Assembly Machine
- Mounting Speed: 20-25W CPH
- Dimension: 3100*2250*1650mm
- Pcb Thickness: 0.5-1.5mm
- Mounting Precision: $\pm 0.02\text{mm}$
- No. Of Head: 68 PCS
- Highlight: FPCB SMT mounter, roll to roll SMT mounter, FPCB SMT Pick And Place Machine

Product Description

High speed roll to roll solution FPCB making SMT pick and place machine

Production description

Dual arm magnetic linear high speed mounter for flexible strip(no wire), producing 4 types materials at the same time capacity reach 250000 CPH.

Features

Producing 4 types of materials at the same time with high capacity, available for 5m, 50m or any length of flexible strip and Roll to Roll.

Dual arm four module, 17 nozzles for each mounting part, part A, part B can be mounted separately or synchronously.

Calibration automatically, high precision, available for for RGB.

Exclusive patent technology: Group to pick and group to mount.

Machine parameter

Model	HT-T9
Dimension	3100*2250*1650mm
Total weight	1700kg
PCB length width	250mm*any length
PCB thickness	0.5-1.5mm
PCB clamping	Vacuum adsorption, cylinder splint, adjustable track width
Mounting mode	Group picking and group placing
Mounting precision	±0.02mm
Mounting speed	20-25W CPH
No. of feeders station	68PCS
No. of head	68PCS

Machine main part

Mark camera

Nozzles

Magnetic linear motor

HT-T9 high speed pick and place machine

Optimal capacity: 250000 CPH

Service

Free Installation: provide free installation machine to ensure smooth production

Free Warranty: 1 year warranty factory service, free replacement of space parts

Free Training: Professional training of operating and maintenance

Free Technical Support: 7*24 technical online support

Free Software Upgrade: Offer free software upgrade whole lifetime

High service efficiency, there is service office in India. Besides India, we also have local engineers in Egypt, Turkey. Can provide you with timely services.

Chinese engineers provide online services. If necessary, Chinese engineers will come to your factory for free install and training.

Quality First, Client-oriented, Continuous Improvement.

24 hours online for you to answer.

Service

Free installation
for arranging
engineers to teach
to operate machine
and assembly,

Provide a
full line for
production

Desirable after
sales service,
for maintenance,
gathering
information from
customers

Market

Our products had exported to more than 30 countries and regions, including South Korea, India, Vietnam, Tunisia, Egypt, Turkey, Russia, Brazil etc. And here are some of our big customers:

SURYA, POLYCAB, FIEM, RK, GK, TECHNO LED, CALCOM, ACK, KENDAL, RangDong, UNISTAR, and so on.

Packages

As for the package of the machine, we put it in film packing and foam cotton, to prevent the dust and water of protecting the machine and keep dry of the machine during transportation, and equip with wooden boxes to transport to the specified port.

Package Noah+8613632769526

Step 1: Pack the machine in a foam cotton and stretch the film to protect the outside of it. **Step 2:** vacuum paper package and moisture proof bag, to keep dry of the machine during transportation to prevent moisture. **Step 3:** Each exported machine will be equipped with sturdy wooden boxes, to ensure the safety of the machine. **Step 4:** Transportation by trucks to the specified port. For the feeders and some spare parts usually we'll pack it separately with box.

FAQ

Q. Does your machines have quality certificates?

A. We are high-tech enterprise with CE, SIRA, CCC, ISO awarded as "Well-know brand" and many technology patents, and have rich experience (more than 11 years) in LED light production line program.

Q. What is your actual speed of your products?

A. For the actual speed of the machine which is constrained by many factors, that related to the number of the components, the time to send PCB board and receive the board that will have influence on the speed when in production, and is decide for the actual products and needs.

Q. Can you accept CIF as the quoted price?

A. We only accept EXW as the quoted price for it is convenient and lower cost for both sides.

Q. Can I go and see if you have sold the equipment to India?

A. Yes, we have sold our machine in India, but for the fact we can't decide it for my customer, but I will try to contact my customer. Hope you can understand, because no one wants their competitors to visit their manufacturing site.

Q. How many products can your machine make per day?

A. The capacity of our machine is according to the real products, and the number of components on your PCB board that is important factor to figure out the actual speed of our machine with your products.
