

20 Heads Two Models High Speed Pick And Place Machine SMD Mounting Machine

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC, CE, RoHS
- Model Number: YT-20S
- Minimum Order Quantity: 1
- Price: USD 45000~76000/sets
- Packaging Details: Our packing is made of wooden box with vacuum package, and we promise to deliver the goods within four weeks after payment.
- Delivery Time: 30 days after deposit
- Payment Terms: L/C, T/T
- Supply Ability: 50 sets per month

Product Specification

- Name: Pick And Place Machine
- Place Of Origin: China
- Visual Camera: 2 Sets Of Imported Camera
- Applicable Components: 0402--5050, SOP, TQFP, BGA, etc
- Type: SMT Machine Related Products, New
- Power: 380AC 50HZ
- Mounting Height: <36mm
- Total Weight: 2000kg
- Dimension: 2088*1686*1375mm
- Mounting Speed: 90000CPH
- Drive Way: High-end Magnetic Linear Motor + servo Motor
- Highlight: **5050 High Speed Pick And Place Machine, Two Models SMD Mounting Machine, 20 Heads SMD Mounting Machine**

Product Description

20 heads automatic smd mounting machine high speed smd placement machine led lights assembly machine with 80000CPH

Features of SMT PICK AND PALCE MACHINE

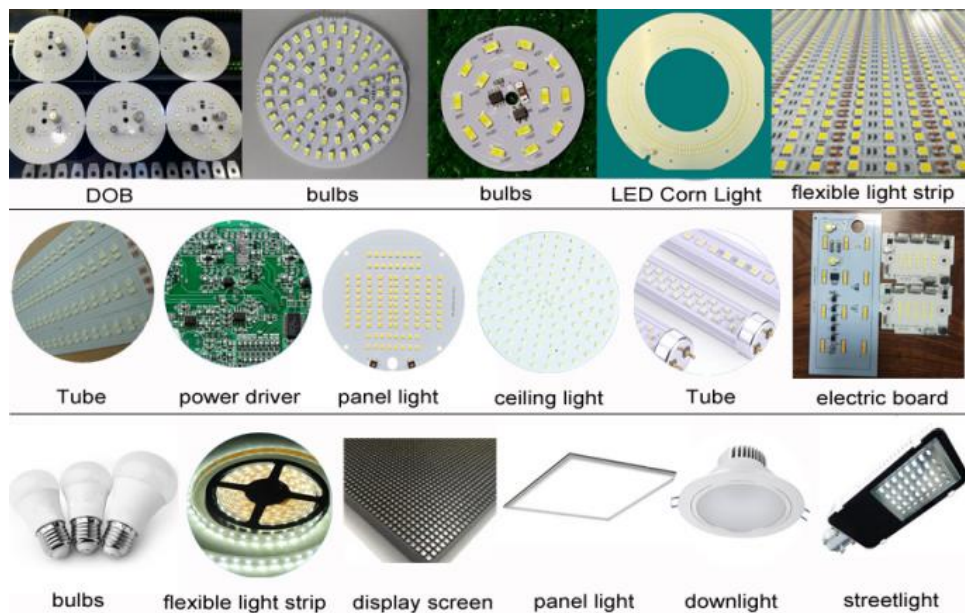

YT20S Placement machine with high-speed multi modular head,each head with 10 nozzles,both high speed and intelligent with light compact desion.modular head with Brans New Flight vision Camera,improve recognition performance,size up to 40*40mm,apply to BGA or csp.etc.Each placement head with independent detection,which improves the stability

YT20S pick and place machine with high precision and fixed flight camera,Components with less than 40*40 mm or height less than 20mm can be used to high precision identification.

PCB size	Max pcb size:500*450mm min size:50*50mm
Software	R&D independently
Mounitng speed	80000CPH
Drive way	High-end magnetic linear motor + servo motor
Nozzles	Double side :20 pcs
feeder station	32 PCS Tape reel packages:64 PCS
Feeding way	intelligent double head feeder
Component range	min 0201~40*40mm tape reel packages and IC tray feeder etc.
Camera	4 sets camera
power	380V 50 hz

Application

Our Company

Efficient team: We provide the most systematic solution for you. The best suggestions of full SMT line equipment according to your budget and site.

Competitive price: We are directly manufacture of the ETON pick and place machine, so we can give you the best competitive price with high quality materials .

High quality: We have strictly quality control during all production from raw materials to the finished machine.

High efficiency : All machines parts are made by ourselves, so it's convenient to control the time schedule and quality timely.

ETON SMT MACHINE

Model	Capacity
NAVIGATOR	>280
RLS	>80
XEL	>80
HEL	>40
FSL	>20
SL	>10

ETON advanced technology and innovation drives the revolution of market rapidly, and obtains a number of intellectual property technologies.

9 invention patents 112 practical patents 12 software copyrights

After-sale Service

we will send our engineer to your factory to install machine and training freely.

We have service office in india, and have indian engineer in delhi and mumbai. Can support quickly.

Standard warranty is one year, during warranty, any parts need to be repaired and replaced will be free.

Pre-Consultation: provides professional SMT solutions for the full line.

■ **Factory Warranty:** One-year warranty factory service.

■ **Installation:** On-site installation and commissioning, to ensure smooth production.

■ **Software Upgrade:** offers lifetime free software upgrades for all products
