High Speed SMT Production Line Surface Mount Pick And Place Machine For Panal Lights

Our Product Introduction

for more products please visit us on smtmountingmachine.com

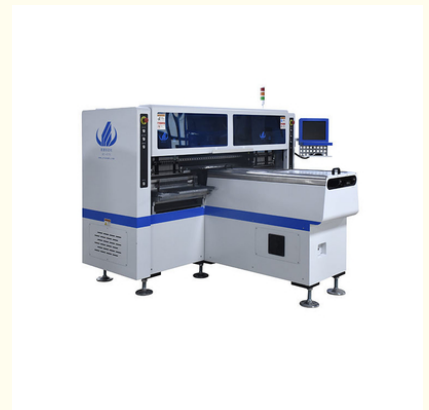

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: ETON
- Certification: CCC
- Model Number: HT-F7S
- Minimum Order Quantity: 1 SET
- Delivery Time: 30 DAYS
- Payment Terms: T/T

Product Specification

- L*W*H: 2700*2300*1550MM
- PCB SIZE: MAX: 1200*330MM MIN:100*100MM
- MOUNTING MODE: Group Picking And Separately Placing
- No. Of Camera: 5 Sets
- No. Of Feeder: 34pcs
- No. Of Station: 64 PCS
- Highlight: Surface Mount Pick And Place Machine CCC, AC 380V SMT Production Line, CCC Surface Mount Pick And Place Machine

Product Description

— . Parameter Table

Brand	Eton
Model name	HT-F7S
Length*width*height	2700*2300*1550
weight	1700
PCB size	Max 1200*330mm Min 100*100
PCB thickness	0.5~5mm
PCB clamping	Adjustable pressure pneumatic
Mounting mode	Group to take and group to mount
Mounting height	≤5mm
Capacity	250000CPH
Voltage	AC 380V 50Hz
Drive motor	High-end magnetic linear motor servo motor
No. of camera	5 sets digital camera
	Vision alignment ,Mark correction
No. of head	34PCS
No. of feeder station	68PCS
Warranty	1 year
Place of origin	Guangdong, China

B. the whole smt solution

Eton can supply the whole smt solution. The following is the related smt machines

1

2

the 1st is Eight zones reflow oven

the 2nd is conveyor

C. Trustable Brand

ETON, with its headquarter located in Shenzhen, one of the most potential regions, and its industrial area sitting in Jiangxi province, accounts for 90% domestic market share and constantly expand its foreign business, which now has exported to more than thirty countries, encompassing India, Nigeria, Egypt and so on. In Jiangxi Province, quality inspection center is set for ensuring the quality.

We enjoy a good reputation across our cooperation partners and many clients become our regulars because of our dependable quality and service. In terms of quality, we attained the authoritative ratification and was given lots of patents and certificates. So your quality can be ensured. In terms of Service, Eton can support the life-long upgrading system for every client as the system is independently designed by Eton. Besides, there is no need worrying any problem in installation as our engineer will come to your production site to help you with installation and training for free.

We keep working on the high speed and efficiency of machine. apparently, we have achieved success in speed. Our CAPACITY of model "T9-2S" can reach 50wCPH, the best ever.

These passed years witness our growth, progress and technological maturity.

1

Shipping Way:

By air, for sample and small package

By sea, for large package and quantity;

Other ways as customer requested.

Delivery Time:

Within 30 Days.
