

1600*1200mm LED Strip PCB SMT Welding Machine SMT Production Line 600W

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE,CCC,SIRA
- Model Number: ET-800
- Minimum Order Quantity: 1 set
- Packaging Details: Packing in film package and foam cotton, and covering vacuum bag within sturdy wooden boxes.
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Warranty: 1 Year
- Name: ET-800
- Application: SMT Production Line
- Power Supply: 220V,50-60HZ
- Condition: New
- Weight: 100KG
- Dimension: 1600*1200*1400MM
- Equipment Power: 600W
- Highlight: PCB SMT Welding Machine,
LED Strip SMT Welding Machine,
SMT Production Line 600W

Product Description

Save 5-6 people 1600*1200mm LED strip PCB SMT welding machine

Product Brief:

ET-800 LED Soft light strip plate Welding machine is a dedicated automatic welding equipment for 5 meter LED strip welding, according to the characteristics of LED equipment 5 meters depth of humanization design, engaged in a variety of different solder joints instead of manual soldering work, solve the manual welding of weld solder joint is not uniform, and other phenomena, and compatible with a variety of types of LED soft strip size of welding, simple operation and high practicability, quality stability, greatly enhance the efficiency.

Product advantages:

Simple programming, operation control box mobile head position.

Welding speed, high efficiency, a solder machine can save 5-6 people

Save tin wire, good consistency of solder joint

High power heating controller ensures the stability of continuous welding

The utility model relates to a double head fine tuning welding gun structure, which is convenient for regulating the welding torch spacing and synchronous operation

Multi axis manipulator, advanced motion control algorithm, to improve the kinematic positioning accuracy and repeatability accuracy

According to the professional design of the lamp batten, it is convenient for manual feeding and feeding

Production efficiency: 1800-2000 meters /H.

It can replace the manual process and optimize the quality control.

Improve efficiency, save manpower, simple operation, new staff can achieve the welding effect of skilled workers

Scope of application:

LED soft light plate soldering machine application range: suitable for LED monochromatic light, 5050 RGB lamp string, lamp belt, lamp strip and other products

Technical parameters:

Item	parameter
Device name	LED welding machine for soft light strip plate
Model	ET-800
control mode	32 position DSP
Welding head	2 iron heads work at the same time
Working stroke	X axis 350MM,Z axis 150MM,platform 1000MM
Repeatability accuracy	±0.05mm
Equipment power	600w
Power Supply	220V,50-60HZ
weight	100KG
Size	1600*1200*1400(Length*Width*Height)

Shipping and Delivery

As to the part of shipping and delivery, there are three ways for your reference, and different way is for different situations:

Land transportation: suitable for inland countries and it is affordable;

Air freight: for urgent good, and it is the most expensive transportation way;

Shipping: It's suitable for heavy goods, and the convenience and lower cost of shipping which is easy for clients to accept the arrival time of the goods.

Air freight:

for urgent good, and it is the most expensive transportation way;

Land transportation:

suitable for inland countries and it is affordable;

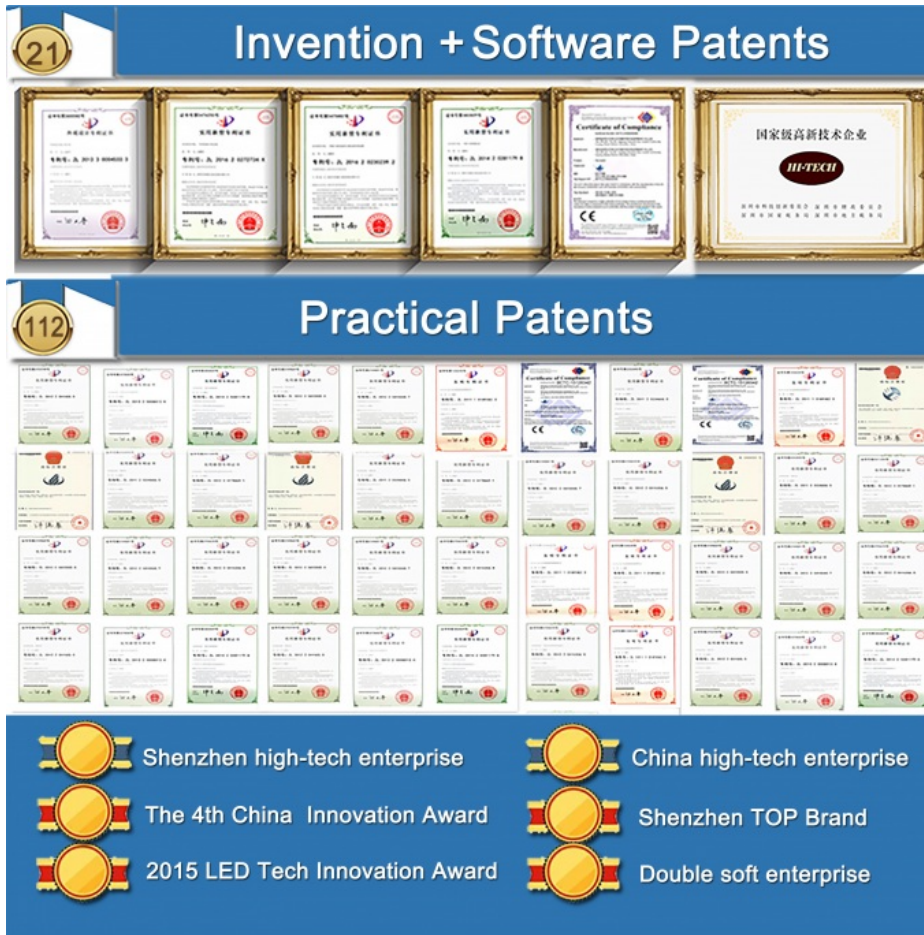

Shipping:

It's suitable for heavy goods, and the convenience and lower cost of shipping which is easy for clients to accept the arrival time of the goods.

Certificates

As an experienced manufacturer in SMT machine, we obtained a number of intellectual property technologies, including 9 invention patents, 112 practical patents, 12 software copyrights, with our won R&D department for production and inspection. And also earned the oversea certificates as CE, CCC, SIRA, etc.

Market

ETON company which not only provide our high speed SMT machine in Chinese market, but also overseas market to let our customer enjoy one site service, efficient production and low consumption.
