

LED Adhesive Tape Machine High Efficient for Soft Light / Lamp / Panel Assembly

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE,CCC,SIRA
- Model Number: ET-600
- Minimum Order Quantity: 1 set
- Packaging Details: Packing in film package and foam cotton, and covering vacuum bag within sturdy wooden boxes.
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Warranty: 1 Year
- Name: ET-600
- Application: SMD Production Line
- Power: 40W
- Condition: New
- Product Name: Led Automatic Adhesive Tape Machine
- Weight: About 70KG
- Dimension: Length 1800*, Width 400*, Height 1100MM
- Highlight: Lamp Assembly LED Adhesive Tape Machine,
Panel Assembly LED Adhesive Tape Machine,
Panel LED Lights Assembly Machine

Product Description

High efficient LED soft light lamp panel assembly Adhesive tape machine

Product introduction:

According to the customer requirements, to solve the soft light, hard light, S lamp, lamp panel, LED backlight and other products with the consistency of the quality cost of artificial gum, difficult problem, this equipment after repeated research, testing, the grand launch of ET-600 plate with double-sided adhesive machine.

Adhesive tape machine parts

Product function:

Can realize a variety of products automatically paste double-sided adhesive function;

The machine feeding can be fully automatic, semi-automatic switching;

Glue height adjustable, can be changed according to different product height;

Double-sided adhesive width adjustable, can adjust the width of double-sided adhesive according to different product sizes, can be arbitrarily switched;

It can realize single or multi stick double glue at the same time, and the efficiency is higher.

Parameter:

Voltage: 220V 50-60HZ

Power: 40W

Weight: about 70KG

Size: length 1800*, width 400*, height 1100MM (adhesive product length is not limited);

Market

Our products had exported to more than 30 countries and regions, including South Korea, India, Vietnam, Tunisia, Egypt, Turkey, Russia, Brazil etc. And here are some of our big customers:

SURYA, POLYCAB, FIEM, RK, GK, TECHNO LED, CALCOM, ACK, KENDAL, RangDong, UNISTAR, and so on.

Customer group photo and customer factory

Service

Free Installation: provide free installation machine to ensure smooth production
Free Warranty: 1 year warranty factory service, free replacement of space parts
Free Training: Professional training of operating and maintenance
Free Technical Support: 7*24 technical online support
Free Software Upgrade: Offer free software upgrade whole lifetime

High service efficiency, there is service office in India. Besides India, we also have local engineers in Egypt, Turkey. Can provide you with timely services.

Chinese engineers provide online services. If necessary, Chinese engineers will come to your factory for free install and training.

Quality First, Client-oriented, Continuous Improvement.

FAQ

Q. Does your machines have quality certificates?

A. We are high-tech enterprise with CE, SIRA, CCC, ISO awarded as "Well-know brand" and many technology patents, and have rich experience (more than 11 years) in LED light production line program.

Q. What is your actual speed of your products?

A. For the actual speed of the machine which is constrained by many factors, that related to the number of the components, the time to send PCB board and receive the board that will have influence on the speed when in production, and is decide for the actual products and needs.

Q. Can you accept CIF as the quoted price?

A. We only accept EXW as the quoted price for it is convenient and lower cost for both sides.

Q. Can I go and see if you have sold the equipment to India?

A. Yes, we have sold our machine in India, but for the fact we can't decide it for my customer, but I will try to contact my customer. Hope you can understand, because no one wants their competitors to visit their manufacturing site.

Q. How many products can your machine make per day?

A. The capacity of our machine is according to the real products, and the number of components on your PCB board that is important factor to figure out the actual speed of our machine with your products.
