

Single Module LED Mounter Magnetic Linear Motor Multifunctional Pick And Place Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC, CE, SIRA
- Model Number: HT-E8S-1200
- Minimum Order Quantity: 1 set
- Packaging Details: vacuum package, wooden case
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets/month

Product Specification

- Warranty: 1 Year
- Applicable Components: 0402
- Name: SMT Pick And Place Machine
- Power Supply: 380AC 50HZ
- Condition: New
- Weight: 1700kg
- Mounting Speed: 45000cph
- Dimension: 2550*1650*1550mm
- Feeders: 12
- Pcb Thickness: 0.5~5mm
- Highlight: multi modular head LED Mounter,
Magnetic Linear Motor LED Mounter,
Multifunctional Pick And Place Machine SIRA

Product Description

12 heads 45000 CPH LED Bulb Making Machine With Multifunctional

Product features

ET-E8S is single module magnetic linear motor multifunctional pick and place machine. Adopt High-speed multi modular head, apply to LED chip, capacitors, resistors, lens, IC, shaped components etc. There are 12 spindles, both high-speed and intelligent with light compact

design. Each placement head with independent detection function, which improves the stability of the equipment and the reliability of the product. Adopt High - end magnetic linear motor, servo system and multi function modular head, optimum placement speed reach 45000 CPH.

Product application

E8S -1200 can be applied to power driver, electric board, lens, DOB bulb, linear bulb, household appliance etc.

Down light

Panel light

LED bulb

Flexible strip

LED DOB

Table light

Street light

Ceiling light

Technical parameter

Model	E8S-1200
Dimension	2550*1650*1550mm
PCB size(L* W)	Max:1200*500mm Min 100*100mm
Mounting mode	Group picking and separately placing, separately picking and separately placing
No. of camera	2 sets Digital camera (Digital camera)
Components	LED chip, capacitors, resistors, IC, shaped components, etc.
No. of feeders station	28 PCS
No. of nozzles	12 PCS
Conveyor transmission	Max Length: 1200mm
Electrical control	Independent research and development by ETON
X, Y, Z Axis drive way	High-end magnetic linear motor + Servo motor
Feeding way	Electric feeder with double motor

Company Profile

1. 50000 square meters industrial park ensure the brand effect and present company strength.

Own manufacturing center, equipped with an advanced processing and manufacturing center, strict quality control, and standardize production, streamline production processes make our machines has high quality standard and strong supply capacity.

3. Advanced in technology and innovation. Has 9 invention patents, 12 software copyrights and 112 practical patents.

4. The biggest manufacturer for LED SMT machines in China, which has occurred 85% market in China and has exported our machines to India, Vietnam, Korea, Japan, Turkey, Tunisia, Egypt etc more than 20 countries.

5. Has own professional R&D team, has Indian engineer, Indian office, Turkey engineer, Egypt engineer, etc. Can provide support promptly

6. Independent research and development. Own R&D team make the software and machines has best program. And can provide the whole life free update on software.

Production line Exhibition hall

Exhibition

ETON is the leading manufacturer of global op to-electronic high-speed pick and place machine, the products are exported to more than 20 countries and regions, including South Korea, India, Vietnam, Tunisia, Egypt, Turkey, Russia, Brazil etc. We go to the exhibition every year. Our team is professional in the SMT field. And We go to the exhibition every year.

FAQ of Pick and Place Machine

Q: What's your delivery time?

A: Usually 30 days after deposit, if we have inventory, the time can be brought forward.

Q: Is there any quality guarantee?

A: We stick to quality first, client-oriented, Continuous improvement!

Q: Is your software interface in English?

A: English interface and Chinese interface are both available.

Q: What are your advantages?

A: Our company stick to five level management policy: sincere business, focus on R&D, manufacturing intentions, considerate service, customer trust.

Q: If my order is very urgent, how long is your lead time?

A: We have helped many clients with their urgent demand. If your order is urgent, please contact with our specialist and we will help you to apply special support.
