

Automatic Run 450mm Width Strip Light Rolling Machine Fix Reel Position

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE,CCC,SIRA
- Model Number: ET-500
- Minimum Order Quantity: 1 set
- Packaging Details: Packing in film package and foam cotton, and covering vacuum bag within sturdy wooden boxes.
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

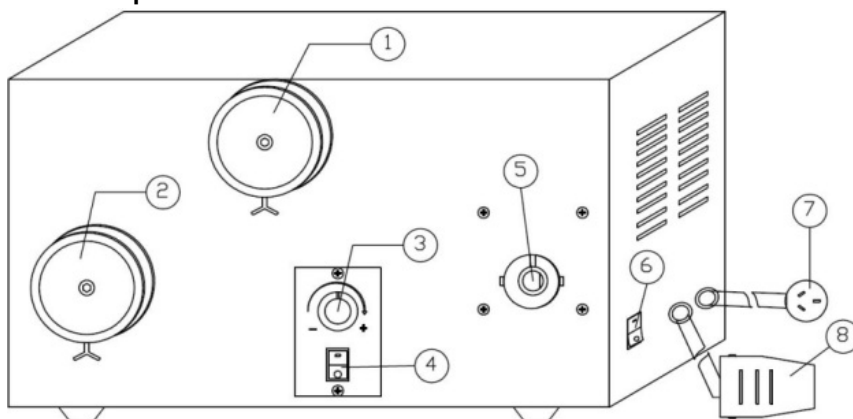

- Outside Size: 450*250*290 MM
- Input Voltage: 220V 50-60HZ
- Power: 15W
- Weight: About 8 KG
- Application: LED Strip
- Warranty: 1 Year
- Product Name: LED Strip Rolling Machine
- Model: ET-500
- Highlight: 450mm Strip Light Rolling Machine, SMT Strip Light Rolling Machine, SMT LED Strip Rolling Machine

Product Description

Fix Reel position, Automatic run 450mm width strip light rolling machine

Machine's parts notes

May use the structure to adjust the force on the basis of strip light's width.

Fix 3M double adhesive type

Adjust speed button

Power Switch

Fix Reel position, Automatic run.

Direction Switch, The direction is clockwise when position, or not will be counterclockwise.

220V Power input line, three phase.

Foot Switch, Control the machine's movement or not.

Parameter:

Outside Size:450*250*290(MM)

Input Voltage:220V,50-60HZ

Power:15W

Weight:about 8 KG

Main Function:

The machine may manufacture's led strip light's wide range: 0~ 25mm. Assembling 3M double adhesive type and led Strip light

The machine may manufacture led strip light type: waterproof, no waterproof, have the PVC cover or not led strip light.

The Production capacity is 1000 Meter/per hour on the basis of skillful worker.

The efficiency is double than last machine. And save one worker. And easy, fast.

The machine's reel has Clockwise and counterclockwise direction, the aim is that led inside or outside

May adjust the manufacturing speed.

Operate the machine's process is very easy, When the strip light is distorted, may use foot to stop it.

The efficiency is high and reduce the worker's repetitive movement.

Certificates

As an experienced manufacturer in SMT machine, we obtained a number of intellectual property technologies, including 9 invention patents, 112 practical patents, 12 software copyrights, with our won R&D department for production and inspection. And also earned the oversea certificates as CE, CCC, SIRA, etc.

Market

ETON company which not only provide our high speed SMT machine in Chinese market, but also overseas market to let our customer enjoy one site service, efficient production and low consumption.

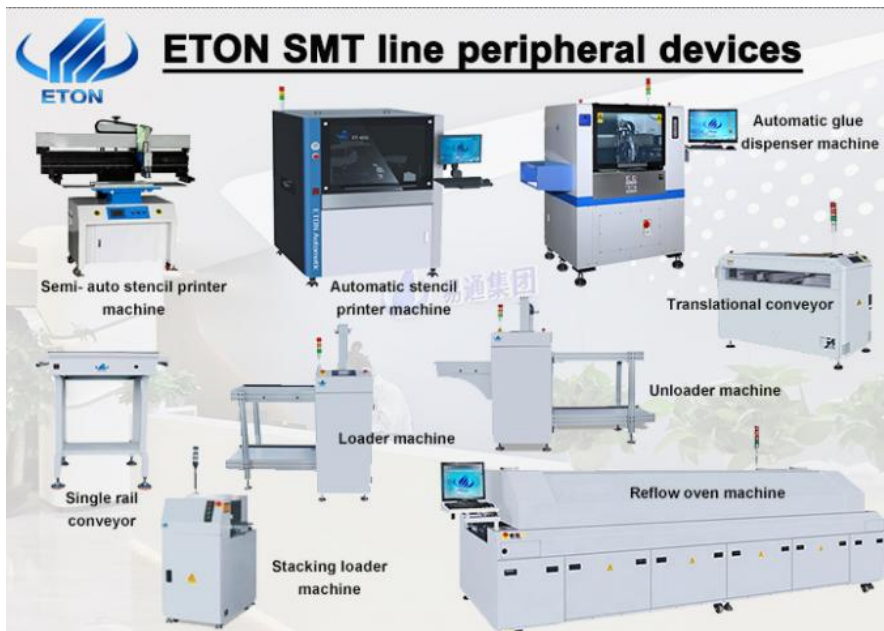

Customer group photo and customer factory

Related machine

We can provide a whole SMT production line,led light production line:

1. Pick and place machine
2. Loader machine
3. Conveyor machine
4. Stencil printer machine
5. Reflow oven machine
6. Unloader machine
7. Solder paste mixer
8. Roll to roll led strip light assembly machine

FAQ

Q. Can you accept CIF as the quoted price?

A. We only accept EXW as the quoted price for it is convenient and lower cost for both sides.

Q. Can I go and see if you have sold the equipment to India?

A. Yes, we have sold our machine in India, but for the fact we can't decide it for my customer, but I will try to contact my customer. Hope you can understand, because no one wants their competitors to visit their manufacturing site.

Q. How can I contact you to buy the goods in an efficient way?

A. Making enquiry of the products you want on the trading platform of Alibaba, Tradelink, foreign trade Express, or contact us with the social software as Whatsapp, Skype, etc.

Q. How can I look around your industrial park if I am on aboard?

A. If you have Chinese agent we can make an appointment to show you the environment, of course we also can make video call to show you the industrial park, or we will do some video to you if you need.
