

China LED Market SMT Pick And Place Machine For Strip Light Making

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC, CE, SIRA, ISO
- Model Number: T9-2S
- Minimum Order Quantity: 1 set
- Packaging Details: standard wooden box package
- Delivery Time: 15 working days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Warranty: 12 Months
- Applicable Components: 0805
- Mounting Speed: 500000cph
- Item: Smt Led Pick And Place Machine
- Pcb Thickness: 0.1-0.5mm
- No. Of Heads: 136pcs
- Highlight: LED Market SMT Pick And Place Machine, China Strip Light Making Machine, 136 feeder Strip Light Making Machine

Product Description

China LED Market Best Seller SMT LED Pick And Place Machine for strip light making

ETON T9-2S is a high cost-effective SMT LED Pick and place machine, and just need 3-5 working days to learn, Windows 7 system, and the software R&D by ourselves, provide English and Chinese languages, you can exchange it accordingly!

Main Features

1. Control System: High-end magnetic linear motor+ server motor
2. Vision system: Flying vision camera.
3. 16 placement heads can pick up and calibrate components at one time.
4. Up to 136 feeder slots, provide feeder
5. Built-in computer motherboard, the monitor, key board and mouse will ship with machine.
6. Provide engineer to your factory training,
7. Free to upgrade software and provide technology support for life.

Machine specification

PCB Size	250(\pm 10)mm*any length
PCB thickness	0.1-0.5mm
PCB clamping	vacuum adsorption, cylinder clamping, track width adjustable
Mounting mode	Double rails+four groups of placement heads
The features of camera	vision alignment+mark correction
Optimal speed	500000CPH
No. of heads	136pcs
Power	380ac 50hz
Position mode	Optimal

T9-2S Value series mouter

Feeder station

Double rail

Nozzles

T9-2S Value series mouter application

PCB

PCBA

Flexible strip

FAQ

1) This is the first time I use this kind of machine, is it easy to operate?

Even if someone is completely ignorant of SMT equipment, we will let him be fully familiar with the operation within 7-8 working days, and our engineers will follow up the production situation during the training period.

2) If machine have any problem after I receive it, how can I do ?

Free parts send to you in machine warranty period.

3) MOQ ?

1 set machine, mixed order is also welcomed.

4) How can I buy this machine from you? (Very easy and flexible !)

1. Consult us about this product on line or by e-mail.

2. Negotiate and confirm the final price , shipping , payment methods and other terms.

3. Send you the proforma invoice and confirm your order.

4. Make the payment according to the method put on proforma invoice.

5. After confirming receipt of your 30% advance payment, we prepare your order according to the proforma invoice.

6. And 100% quality check before shipping.

7. Send your order by sea.

5) Why choose us ?

1. We're an original manufacturer.

2. We have more than 15 years of experience in the machine industry.

3. We provide high quality and delivery on time.

4. We provide 24 hours after-sale timely.

5. We provide door-to-door services
