

## Automatic SMT Mounting Machine For Large Area LED Chip Mounting

### Our Product Introduction

#### Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE,CCC,SIRE
- Model Number: YT10S
- Minimum Order Quantity: 1
- Price: USD30000~70000
- Packaging Details: WOODEN CASE
- Delivery Time: 30 DAYS
- Payment Terms: T/T,LC
- Supply Ability: 50/PER MOUNTH

#### Product Specification

- Mounting Precision: High
- Mounting Quality: High
- Product Name: SMT Mounting Machine
- Mounting Time: Short
- Mounting Process: Automatic
- Mounting Method: Automatic
- Mounting Components: 0201, 3528, IC, Resistor, Capacitors, Etc
- Mounting Height: Adjustable
- Highlight: Automatic SMT Mounting Machine CCC,  
SMT Mounting Machine for LED Chip,  
Large LED Chip Mounting machine

## Product Description

### Product Description:

SMT Mounting Machine is a kind of automatic pick and place machine, which is specialized in Surface Mount Technology. It features high mounting precision, large mounting area and high mounting quality. It is commonly used in production of LED bulbs making machine or other SMT machines. With its advanced technology, it can assemble components accurately and quickly to meet the needs of mass production. It is widely used in the electronics industry, providing a reliable and efficient solution for component assembly.

### Features:

**SMT Mounting Machine:** A specialized LED light making machine, with LED chip mounter and SMD PICK AND PLACE MACHINE.

**Mounting Head:** Multi-head.

**Mounting Method:** Automatic.

**Mounting Speed:** High.

**Mounting Precision:** High.

**Mounting Time:** Short.

### Technical Parameters:

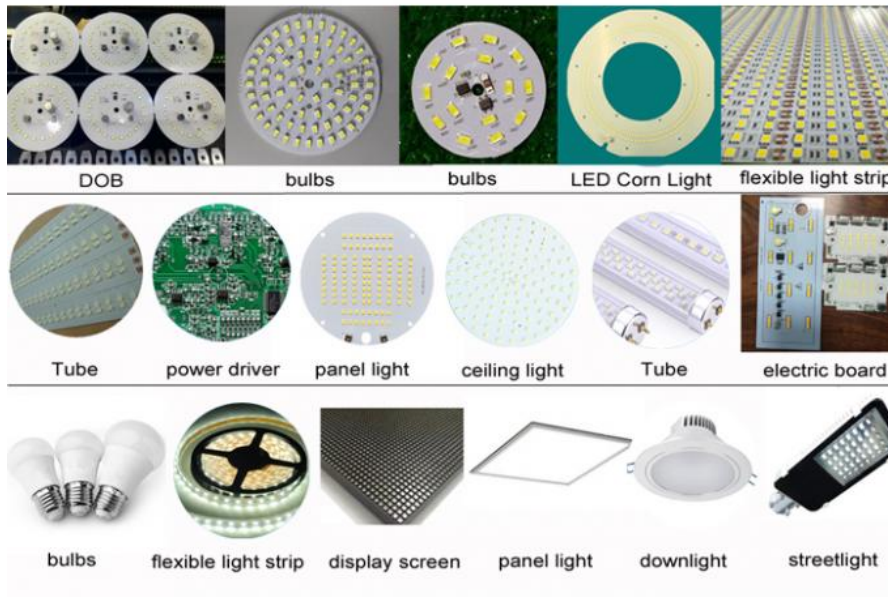

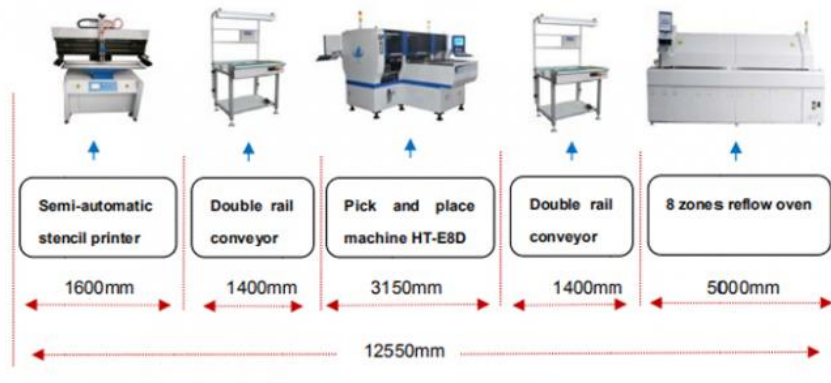

Product Name	Technical Parameters
SMT Mounting Machine	Mounting Quality: High Mounting Components: 0201, 3528, IC, Resistor, Capacitors, Etc Mounting Cost: Low Mounting Head: Multi-head Mounting Accuracy: High Mounting Time: Short Mounting Type: Surface Mount Technology Mounting Area: Large Mounting Method: Automatic

### Applications:

ETON's SMT Mounting Machine (Model Number: YT10S) is an ideal choice for LED bulbs making machine, SMD PICK AND PLACE MACHINE, and other assembly line. This machine is certificated by CE, CCC and SIRE, and has a minimum order quantity of 1. It is available at a price range of USD30000~70000, and comes with a wooden case for packaging. The delivery time is 30 days, and the payment terms are T/T and LC. The supply capacity is up to 50 per month. The adjustable mounting height and high mounting precision make it an ideal tool for automatic mounting process with its multi-head mounting head.

## ETON - HT-E8D-1200 Semi-automatic Production Line

### Customization:

#### SMT Mounting Machine

Brand Name: ETON

Model Number: YT10S

Place of Origin: CHINA

Certification: CE, CCC, SIRE

Minimum Order Quantity: 1

Packaging Details: WOODEN CASE

Delivery Time: 30 DAYS

Payment Terms: T/T, LC

Supply Ability: 50/PER MOUNT

Mounting Type: Surface Mount Technology (SMT)

Mounting Method: Automatic

Mounting Speed: High

Mounting Area: Large

Our SMT Mounting Machine is perfect for the surface mount technology (SMT) assembly process. It is an automatic pick and place machine that is highly efficient and offers a large mounting area. It is highly reliable and cost-effective, with a minimum order quantity of 1 and prices ranging from USD30000~70000. Our SMT Mounting Machine is CE, CCC and SIRE certified, and we offer a 30-day delivery time and payment terms of T/T or LC. We have a monthly supply capacity of 50 machines.

### Support and Services:

SMT Mounting Machine Technical Support and Service

We provide comprehensive technical support and services for our SMT Mounting Machine. Our services include:

Installation and setup assistance

User training

Maintenance and repair services

Product upgrades

Technical support

Our team of experienced technicians is available to provide you with the support you need. Our goal is to ensure that you have the best

possible experience with our products and services.

## Packing and Shipping:

Packaging and Shipping of SMT Mounting Machine: -----

The SMT Mounting Machine will be carefully packaged to ensure that it arrives in perfect condition. It will be packaged in a bubble wrap or foam-lined cardboard box with additional internal padding for extra protection. A tracking number will be provided to the customer once the package is shipped.

The SMT Mounting Machine will be shipped using standard ground shipping. The delivery time will depend on the customer's location, but is usually within 3-5 business days.

## FAQ:

**Q1:What is the Brand Name of your SMT mounting machine?** -----

**A1:**Our SMT mounting machine Brand Name is ETON.

**Q2:What is the Model Number of your SMT mounting machine?**

**A2:**Our SMT mounting machine Model Number is YT10S.

**Q3:What is the Place of Origin of your SMT mounting machine?**

**A3:**Our SMT mounting machine Place of Origin is CHINA.

**Q4:What is the Certification of your SMT mounting machine?**

**A4:**Our SMT mounting machine Certification includes CE,CCC,SIRE.

**Q5:How much is the Price of your SMT mounting machine?**

**A5:**The Price of our SMT mounting machine is USD30000~70000.
