Automation System 45000CPH SMD Mounting Machine 8-24mm PCB 100*100mm-1200*500mm

Our Product Introduction

more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE,CCC,SIRE
- Model Number: HT-E8S-1200
- Minimum Order Quantity: 1
- Price: USD30000~70000
- Packaging Details: WOODEN CASE
- Delivery Time: 30 DAYS
- Payment Terms: T/T,LC
- Supply Ability: 50/PER MOUNTH

Product Specification

- Feeder Capacity: 8mm/12mm/16mm/24mm
- Components Range: 0402, Led Chips, Resistors, Capacitors, Etc
- Mounting Accuracy: $\pm 0.02\text{mm}$
- Product Name: SMD Mounting Machine
- PCB Thickness: 0.5-5mm
- Mounting Height: 15mm
- Power: 3KW
- Power Supply: 380V/50Hz
- Highlight: **45000CPH SMD Mouter,
100*100mm SMD Mounting machine,
Capacitors SMD Mounting machine**

Product Description

Product Description:

Our SMD Mounting Machine is a fully automatic SMD mounting automation system designed to meet the needs of modern production lines. With a weight of 1800KG, it is equipped with a highly accurate mounting system that can achieve $\pm 0.02\text{mm}$ mounting accuracy. The feeder capacity is 8mm/12mm/16mm/24mm, and the PCB size range is from 100*100mm to 1200*500mm. Furthermore, the machine dimension is 1600*2100*1400mm. Our SMD Mounting Machine is the perfect choice for those seeking an efficient and reliable SMD placement machine for their production lines.

Features:

Product Name: SMD Mounting Machine

Power Supply: 380V/50Hz

Mounting Speed: 45000CPH

PCB Size: 100*100mm-1200*500mm

Machine Dimension: 1600*2100*1400mm

SMD Placement Machine: High speed and accuracy for SMD placement

SMD Mounting Equipment: Professional machine for SMD mounting

Applications:

The SMD Mounting Machine from ETON, model HT-E8S-1200, is a high-precision SMD mounting equipment ideal for a wide range of applications. Made in China, the machine is certified by CE, CCC, and SIRE, and is available for purchase with a minimum order quantity of 1. The price range for the SMD mounting machine is USD30000~70000, and it is delivered with wooden case packaging. Delivery time is 30 days, and payment terms are T/T or LC. The machine has a supply ability of 50 units per month. Its mounting height is 15mm, and its mounting accuracy is $\pm 0.02\text{mm}$. It is suitable for 8mm/12mm/16mm/24mm feeder capacity, and requires a voltage of 220V.

Support and Services:

SMD Mounting Machine Technical Support and Services

We provide technical support and services for SMD Mounting Machine to ensure your success.

Our technical support team is available 24/7 to answer any questions you have about the machine and its operation. We also provide training and installation services, as well as after-sales support.

We are committed to providing the best customer service experience possible. If you have any questions or concerns, please don't hesitate to contact us.

Packing and Shipping:

Packaging and Shipping for SMD Mounting Machine

Packaging: The SMD Mounting Machine is carefully bubble-wrapped and packed in a corrugated box.

Shipping: The product is shipped by airfreight or by sea, depending on customer's needs.

FAQ:

Q: What is the brand of the SMD Mounting Machine?

A: The SMD Mounting Machine is ETON brand.

Q: What is the model number of the SMD Mounting Machine?

A: The model number of the SMD Mounting Machine is HT-E8S-1200.

Q: Where is the SMD Mounting Machine made?

A: The SMD Mounting Machine is made in China.

Q: What certifications does the SMD Mounting Machine have?

A: The SMD Mounting Machine has CE, CCC, SIRE certifications.

Q: What is the minimum order quantity for the SMD Mounting Machine?

A: The minimum order quantity for the SMD Mounting Machine is 1.
