

Double Rail Chip Mounter Machine SMT Pick And Place Machine For 100m LED Strip Making

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE, CCC, SIRA
- Model Number: HT-T9-2S
- Minimum Order Quantity: 1 set
- Packaging Details: vacuum adsorption, wooden packing
- Delivery Time: 30 days after receive the down-payment
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Warranty: 1 Year
- Applicable Components: 0402
- Name: SMT Pick And Place Machine
- Condition: 100% Original, Brand-new
- Mounting Speed: 500000 CPH
- Type: Automatic
- Usage: SMT Mounting Machine, LED
- Feeders: 136
- Highlight: SMT Pick And Place Machine CE, Double Rail Chip Mounter Machine, 100m LED Chip Mounter Machine

Product Description

136 Heads 500000CPH SMT Mounter for 100m led strip making pick and place machine

Features of 136 head 500000CPH SMT mounter

- Flight recognition camera,no pause to detect the presence or absence of components,component adsorption state,prevent placement errors
- Automatic production with identification data,correction and fill missing component automatically.
- The clamping rod is driven by the air cylinder to correct the materials taken by mounting head.
- With the function of filling missing component automatically, realize Industry 4.0 Unmanned Workshop.
- Compliant with CE standards.

Machine main parameter

PCB size	250(±10)mm*any length
PCB thickness	0.1-0.5mm
Mounting mode	Double rail+ Four groups of placement heads
Mounting way	Group picking and group placing
Mounting speed	500000CPH
X,Y,Z axis drive way	High-end magnetic linear motor+servo motor
No.of head	Double side: 136PCS
Feeding way	Intelligent electric feeder with double motor

The Production Line

Company Introduction

- 1.10 years development history.
- 2.Independent R&D Exclusive Patented technology.
- 3.80% large and listed LED factory are our client.
- 4.Top 1 in high-speed pick and place machine in China.
- 5.We can provide you with the whole production line.
- 6.Our software is R&D independently.We can offer software upgrade for lifetime for free
- 7.We have 50,000 square meters of industrial park. The production strength is abundant, occupies the first place in the domestic profession.

Advantage

Efficient team: The best suggestions of full SMT lineequipment according to your budget and site.

Competitive price: We are directly manufacture of the ETON pick and place machine, so we can give you the best competitive price with high quality materials.

High quality: We have strictly quality control during allproduction from raw materials to the finished machine.

High efficiency: Allmachines parts are made byourselves, so it" s convenient to control the timeschedule and quality timely.

Service

Maintenance period 1 year

One year warranty, during warranty, any parts that need to be repaired and replaced will be free

Software and hardware lifetime maintenance

Free upgrade software, the software is Reach and developed by ETON, so we support whole lifetime free upgrade updates

Visit customers regularly and gather information

Visit clients regularly. We attend the different exhibitions in different cities every year, at the same time, we will visit local clients and support our service and collect feedback on customer suggestions in time

Provide the latest information about technology and equipment

We give professional technology suggestions to our clients. And share the updated news with our clients

On-site service

We have some official site in India as Mumbai and New Delhi, also have site in Egypt.

Turkey that can provide service timely with our engineers.

According to your needs. dedicated senior engineer will come to your factory for free install and training you how to operate the machine.

FAQ

Q: How can you make sure that the products won't be damaged or wet?

A: We take multiple measures to protect the products. They are first packing with individual. We put them into a carton and wrapped with plastic film and sealed with tape to keep the cartons in position and protect them from water.

Q: How is the breakdown rate of machine?

A: our machine is very stable, the breakdown rate is less than 0.001.

Q: What kind of machine will provide besides pick and place machine ?

A: ETON as the largest manufacturer of SMT machine in China, we provide whole SMT line, such as reflow oven, printer, conveyor, pick and place machine, Loader, Unloader, etc.

Q: What are your advantages?

A: Our company stick to five level management policy: sincere business, focus on R&D, manufacturing intentions, considerate service, customer trust.
