

Fast LED Chip / Strip / Lamp / Batten SMT Mounter Machine High Speed Automatic

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC/CE
- Model Number: T9-2S

Product Specification

- Machine Name: Strip Light Machine
- Machine Features: Automatic
- Machine Application: Led Strip Light
- Machine Warranty: One Year
- Highlight: LED Batten SMT Mounter Machine,
LED Lamp SMT Mounter,
SMT Mounting Machine for LED Lamp

Product Description

Fast LED Chip strip lamp batten mounter smt machine

LED Chip strip lamp machine

LED chip like 2835 chip/3030 chip/5050 chip/rgb chip etc. These smd led components are mounted by the mounter machine with high speed and high precision automatic robot machine, it is more intelligent controlled with industrial computer and software, working after programming.

For led strip lamp, there are mainly two different components, one is the led chip, other is the resistor. Both of them are using mounter machine, also with some more intelligent strip light, like some design with the Big RGB multi-color chip, and the IC driver control also are no problem mounting by same machine.

How to choose the right machine ?

In the market, there are different strip light or led light design. Like :

1. LED strip light with waterproof 220V
 2. LED strip light with waterproof IP65 12v
 3. 10M strip light without waterproof 12V
 4. 500M strip light without waterproof 220V
- Etc.

For different strip light mounter machine, we could recommend the right smt production line and the test line, splitting line and the extrusion line according to your product.

ALL KINDS OF LED STRIP LIGHT APPLICATION

Machine features

ETON smt mounter machine largest feature is fast speed chip mounter with good quality and good price.

Specially software and mechanical design

Unique automatic feeding if here is miss-mounting
