## 68 Feeders High Precision LED Mounting Machine for led tube/0.5m/1m strip light

### Our Product Introduction

for more products please visit us on [smtmountingmachine.com](http://smtmountingmachine.com)

#### Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC, CE, SIRA
- Model Number: HT-E8S-1200
- Minimum Order Quantity: 1 SET
- Packaging Details: wooden case,
- Delivery Time: 10 working days
- Payment Terms: T/T
- Supply Ability: 50 set per month

#### Product Specification

- Warranty: 1 Year
- Name: SMT Pick And Place Machine
- Application: SMD Production Line, SMT Production Line
- Condition: New, 100% Original, Brand-new
- Feeders: 68
- Usage: SMT Mounting Machine, LED
- Item: LED SMD Chip Mounter

## Product Description

### Technical parameter

length	2700mm
width	2300mm
height	1550mm
Total weight	1700kg
Mounting speed	250000CPH
components	LED3014/3020/3528/5050 and resistor,capacitor,bridge rectifiers
Electrical control	Independent research and development by ETON
X,Y Axis driver way	High-end magnetic linear motor+servo motor
Feeding way	Electric feeder with double motor

### Company and exhibition

Our company has been established for 10 years and has gained a good reputation at home and abroad. Just because we have 10 years of experience and fifty-two thousand square meters of industrial park, we are the top company in our country, we also offer free software updates and a year of free maintenance

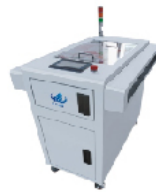

### Other machine

our pick and place machine is divided into multi-function machine and high-speed machine. we can not only provide you with pick and place machine, but also provide you with printing machine, loading machine, unloading machine, conveyor, translational machine, reflow oven, etc.

loading machine

translational machine

conveyor

unloader

reflow oven

service

Five-star service

Free warranty

one  
year warranty factory  
service.

Free technical training

professional training of  
operating and  
maintenance.

Free installment

on-site free installation to  
ensure smooth production.

Free technical support

7\*24 technical online  
support

Free upgrade software

offer free software  
upgrade whole lifetime

FAQ

Q: What's your machine quality?

A: We have our own industrial park. There are production centre and R&D centre and quality inspection centre to guarantee

the machine quality.

Q: Will you be participate the exhibition around the world?

A: Yes, our company go to many countries to participates in the exhibition,such as Egypt, India. If you have a chance to visit, you can get to know our company and our products better.

Q: How do I choose the right machine for me?

A: All you have to do is provide us with information about your requirements and related products, and we will recommend the most suitable machine according to your requirements
