

SMT led light production line send board loader machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC
- Model Number: ET-L460
- Minimum Order Quantity: 1 set
- Packaging Details: Wooden case
- Delivery Time: 4 weeks after payment
- Payment Terms: T/T, Western Union
- Supply Ability: 50 sets per month

Product Specification

- Application: SMT Production Line
- Dimension: L1600*W1120*H1200mm
- Structure: Pneumatic Clamp Structure
- Direction: Right To Left / Left To Right
- Power Supply: 220V 50HZ

Product Description

ET-L460 send board machine

**Apply to SMT production line**

ET-L460 is the send board machine, it is apply to automatic smt production line, Located at the forefront of the production line, loading the PCB in the magazine and transporting the PCB to the press through the power mechanism.

ETON focus on smt

Our company ETON Automation Equipment Co., LTD is in Shenzhen, China. Besides, we also have office in Zhongshan, Hangzhou and India (Deli and Mumbai). We can support quickly.

In china, we are the largest manufacture of SMT machine, we have more than 10 module of mounter machine, the control system and operating software is independent research and development by ETON. Our machine is better at the high accuracy, high capacity, high performance. With our unique machine, you can save labor, space, money, etc.

Parameter:

Item	ET-L460 send board machine
Dimension	L1600*W1120*H1200mm
Frame	Special aluminum profile guide rail and special thousand bird type plastic chain
Lift	120W Taiwan brake motor drive uses ball screw to make Magazine stepping up and down
Structure	Pneumatic clamp structure
0.6M long push plate Conveyor	1 set
Turnover box specifications	(L)535*(W)530*(H)565mm
Maximum size of PCB	(L)525*(W)460mm
Direction	Right to left / left to right
Transmission height	H=920±30
Controller	Mitsubishi PLC programmable controller
Pneumatic Components	Push plate cylinder position, adjusted by screw
power supply	220V 50HZ
Gas source	0.4-0.6MPa
Electric control box	1 set

**More details of HT-L460**

1. There are four height lift platform pitch selection, which contain 10, 20, 30, 40.
2. The No. of Full load storage board is 50 pcs.
3. The Operation control panel is display control true color touch screen
4. The Max pcb size is 525*460 mm

Provide the most comprehensive service

We attach great importance to the sense of responsibility of our customers. If you choose us, we will give our customers the most thoughtful service before, during and after the sale.

Before the sale:

We will introduce the machine enthusiastically and let our customers understand our products in all aspects.

During the sale:

We will provide our customers with the most suitable machine for their production line.

After the sale:

We have a comprehensive after-sales guarantee process, such as the standard warranty, the free install and training, etc.

We are here:

44th. Building, 5th. Cuigang Industrial Area, Fuyong, Baoan District, Shenzhen, China
