

## Max pcb length 390 mm unloader machine

### Our Product Introduction

for more products please visit us on [smtmountingmachine.com](http://smtmountingmachine.com)

#### Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC
- Model Number: ET-UL390
- Minimum Order Quantity: 1 set
- Packaging Details: Wooden case
- Delivery Time: 4 weeks after payment
- Payment Terms: T/T, Western Union
- Supply Ability: 50 sets per month

#### Product Specification

- Application: SMT Production Line
- Dimension: L2200\*W920\*H1200mm
- Maximum Size Of PCB: L530\*W390
- Power Supply: 220V 50HZ
- Electric Control Box: 1 Set

## Product Description

### ET-UL390 unloader machine

#### Function of unloader

ET-UL390 is unloader machine, it will unload the pcb board on the conveyor belt, automated production.

#### Advantage of unloader machine

- 1.Loader/unloader machines minimise the risk of errors that might occur when there is human intervention and have quickened the process of PCB loading and unloading.
- 2.Unloader/loader machines are also known to reduce the operational costs, as the state-of-the-art monitoring systems reduce the number of operators needed to administer the PCB assembly process.

#### Parameter

Dimension	L2200*W920*H1200mm
Maximum size of PCB	L530*W390
Turnover box specifications	(L)535*(W)460*(H)565mm
Lift platform pitch selection	10,20,30,40
power supply	220V 50HZ
Gas source	0.4-0.6MPa
No. of Full load storage board	50 pcs
Electric control box	1 set

#### Structure:

1. Frame: Special aluminum profile guide rail and special thousand bird type plastic chain
2. Lift: 120W Taiwan brake motor drive uses ball screw to make Magazine stepping up and down
3. Structure: Pneumatic clamp structure
4. Controller: Mitsubishi PLC programmable controller
5. Closing function: Automatic
6. Operation control panel: Display control true color touch screen

#### Good service:

We will provide a complete service for our customer:

- 1.we will install machine and training operating for our customer, it is freely.
  2. We will provide the standan warranty for our customer, which is one year. And during the warranty, any parts need to be repaired and replace will be free,
  - 3.We will visit customer regularly.
  - 4.We will sent our new information about technology to our customer.
- What we would do for our customer is a lot of, it is uncountable.

#### F&Q:

- 1.When was your company established?  
A:We set up in 2011, but start reach led pick and place machine from 2007.
- 2.What payment methods does your company support?  
A: We support multiple payment methods, mainly T/T.
- 3.What is your packaging?  
A:Our package is wooden case with vacuum , reattach with rope and stand.
- 4.How long is your warranty?  
A:We provide one year standard warranty.
