

Small LED PCB Smd Board LED Production Equipment 220V 50Hz Power Supply

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE
- Model Number: ET-L250
- Minimum Order Quantity: 1
- Price: 3000-4000USD
- Packaging Details: Wooden box
- Delivery Time: 15 days
- Payment Terms: T/T, Western Union
- Supply Ability: 100 Units/ Per Month

Product Specification

- Condition: New
- Name: PCB Loader
- Product Name: ET-L250
- Length: 1100MM
- Power Supply: 220V 50Hz
- Brand: Eton
- Highlight: led chip making machine,
led production equipment

Product Description

Small LED PCB Send Board Machine ET-L250 SMT Production Line Machine

SMT loader Features:

1. Research purpose: To achieve the automation of SMT, suitable for other similar PCB in loading&unloading.
2. Decrease the pad oxide in manual operation, and the labor
3. Apply to import PLC Controller, high automation, ensure the stability
4. Can set the function of single-up, Max. Times up to 10
5. The frame is applying to the superior aluminum material, superior selection, strong and durable
6. Apply to high precise SMT handspike exported from Japan, ensure the in-putting without mistake.
7. We can produce all dimensions of machine according to clients' PCB size.

SMT loader's parameters

Item	ET-L250 send board machine
Dimension	L1100*W780*H1200±30mm
Frame	Special aluminum profile guide rail and special thousand bird type plastic chain
Lift	90W Taiwan brake motor drive uses ball screw to make Magazine stepping up and down
Transmission motor	Taiwan 15W fixed speed motor
Structure	Pneumatic clamp structure
Magazine Specifications	L355*W320*565mm
Maximum size of PCB	L330*W250
Direction	Right to left / left to right
Lift platform pitch selection	10,20,30,40
Transmission height	H=920±30
Controller	Mitsubishi PLC programmable controller
Function	Automatically send board
Operation control panel	Display control true color touch screen
Pneumatic Components	Push plate cylinder position, adjusted by screw
power supply	220V 50HZ
No. of Full load storage board	50 PCS
Gas source	0.4-0.6MPa
Electric control box	1 set

Company's information

Shenzhen Eton Automation Equipment co.,ltd is a professional original manufacturer for SMT machines. Which can provide loader, conveyor, printer machine, pick and place machine, reflow oven, PCB clean machines, vacuum suction machine, wave machine, solder paste machine and so on with more than 10 years experience.

Eton five level management policy is:

Sinere business, focus on R&D, manufacturing intentions, considerate service, customer trust.
