

High Speed Pick And Place Machine Full Automatic 36mm Mounting Height 380AC 50HZ

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Model Number: HT-E8D-1200
- Minimum Order Quantity: 1 set
- Price: FOB USD 81000/sets
- Packaging Details: Our packing is made of wooden box with vacuum package, and we promise to deliver the goods within four weeks after payment.
- Delivery Time: 30 days after deposit
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Name: Pick And Place Machine
- Dimension: 3150*2250*1650mm
- Power: 380AC 50HZ
- Mounting Height: <36mm
- Visual Camera: 2 Sets Of Imported Camera
- Power Consumption: 8KW
- Warranty: 1 Year
- Highlight: **smt pick and place equipment,
high speed led mounting machine**

Product Description

High Precise Multi-functional High-precision Stable pick and place machine :dual module PCB size 1200*300mm

New double module 1200 mm SMD pick and place machine, high performance universal magnetic linear motor multifunctional placement machine, global initiative, has exclusive patent technology, electronic feeder feeding system, vision alignment flight identification, MARK correction, non-stop material re-loading system, coordinate generated automatically optimize function such as technical support, independent research and development of new science and technology, to provide convenient services.

The Difference between Double Module Mounting Machine and Single Module Mounting Machine is that the double mounting machine have dual system and to produce two different products at same time.

This is a multifunctional pick and place machine, it is can mounting LED ,capacitors,resistors,IC,shaped components,etc.

This machine can meet the needs of producing two kinds of products at the same time. The mounting speed reaches 80,000 CPH, which greatly improves the production efficiency.

Application

A whole production line

Pick and place machine, stencil printer, reflow oven, transfer machine, semi-auto conveyor

Our services

Before services

- 1) Professional sales manager of LED SMT machine, provide professional suggestion and service to you !
- 2) 24 hours online service and technical support, solve your questions quickly!
- 3) Sound company organization and working system, guarantee you a fast delivery!
- 4) Design and provide the whole SMT processing lines for you based on your budget , workshop covering area with best prices!
