

Smt Equipment Surface Mount Machine Magazine Pcb Loader Unloader For Production Line

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC
- Model Number: ET-UL460
- Minimum Order Quantity: 1 set
- Packaging Details: Wooden case
- Delivery Time: 4 weeks after payment
- Payment Terms: L/C, T/T
- Supply Ability: 50 sets per month

Product Specification

- Name: Unloader
- Model: ET-UL460
- Warranty: One Year
- Dimension: L2520*W1120*H1200mm
- Lift Platform Pitch Selection: 10 20 30 40
- Max Pcb: 525*460mm
- Highlight: **smt pick and place equipment, smt assembly machine**

Product Description

ET-UL460 unloader machine

ET-UL460

ET-UL460 one of the unloader machine, it is total automatic.

Mitsubishi PLC programmable controller

Mitsubishi's programmable logic controller (PLC) is a new type of general-purpose automation control device. As the core controller in the field of industrial control, with the development of industrial equipment automation control technology, it is more and more widely used in industrial equipment control.

ET-UL460 controller is using mitsubishi PLC programmable controller, very good performance.

Suitable for smt production line

ET-UL460 support max pcb 525*460mm, it can support the same pcb board size placement machine. With loader machine, reflow soldering, pick and place machine, printing machine form a fully automatic smt production line.

Important Parameter:

Dimension	L2520*W1120*H1200mm
Frame	Special aluminum profile guide rail and special thousand bird type plastic chain
Lift	90W Taiwan brake motor drive uses ball screw to make Magazine stepping up and down
Structure	Pneumatic clamp structure
0.6M long push plate Conveyor	1 set
Turnover box specifications	(L)535*(W)530*(H)565mm
Maximum size of PCB	(L)525*(W)460mm
Direction	Left to right / right to left
Lift platform pitch selection	10,20,30,40
Operation control panel	Display control true color touch screen
No. of Full load storage board	50 pcs

After sales service

We provide comprehensive after-sales service, including one year warranty, software and hardware lifetime maintenance, also deal with consumer letters and visits, answer consumer advice. At the same time, in various ways to collect consumer opinions on product quality, and timely improvement according to the situation.
