380AC 50Hz SMT Mounting Machine 6KW High Stability For Flexible Strip Mounter

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: IC, CCO,
- Model Number: ET-T7
- Minimum Order Quantity: 1 Unit
- Packaging Details: wooden vacuum package
- Delivery Time: 15 days
- Payment Terms: T/T

Product Specification

- Applicable Components: Min : 0603
- Application: Unlimited Flexible Strip
- Power Supply: 380AC 50HZ
- Condition: 100 Original
- Mounting Speed: 180000
- Name: SMT Mounting Machine
- Highlight: **smt pick and place machine, smt pick and place equipment**

Product Description

Component: P2.5 AND MORE

Capable for power driver, electric board, lens, linear bulb, household appliance, etc.

Technical parameter

HT-T7	
Length*Width*Height	2450*2100*1550mm
Total Weight	1600KG
PCB Length Width	250mm X any length
PCB Thickness	0.5~1.5mm
PCB Clamping	Adjustible pressure pneumatic
No.of Camera	5 sets of imported camera
Mounting Height	<13mm(Automatic Changing)
Mounting Speed	180000CPH
Components	LED, resistor, capacitors, shaped components, etc.
No.of Feeders Station	64PCS
No.of nozzles	32PCS
Power	380AC 50Hz
Power Consumption	6KW
X,Y,Z Axis Drive way	magnetic linear motor + servo motor
Display	Touch screen monitor

Features

Electronic feeder feeding system
vision alignment flight identification, Mark correction
Auto-optimization after coordinates generated, etc

About us

About us

Shenzhen ETON Automation Equipment Co., Ltd. is a leading manufacturer of pick and place machine focusing on "High efficiency Low consumption" in the world. Meanwhile ETON is also the largest high-tech manufacturer in China with stronger capability of design, R&D, manufacturing, sales & service.

We have 8-year experience in SMT machine, with unique understanding of SMT technology, we provide long-term professional services to domestic and foreign electronic company.

With good quality, competitive price, easy operation and energy saving, our products are very popular in domestic and oversea market. And all of our machines are widely used in electronic circuit, photovoltaic, LED industry, instruments and apparatuses.

Project cases

We would like to provide you a full production line
Both Automatic production line and Semi-auto line

Service

1. Installment and training

We can send our engineer to your factory to install machine and training freely. We have service office in India and Indian

2. 1 year standard warranty

During the warranty any parts need to be repaired and replaced will be free

3. Vacuum wooden case packing

Keep the machine in good condition
