

## Led Tube Light Smt Pick And Place Equipment High Speed For House Appliance

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC, CE, SIRA
- Model Number: HT-F9
- Minimum Order Quantity: 1
- Packaging Details: wooden case
- Delivery Time: 30 days after pay
- Payment Terms: L/C, T/T
- Supply Ability: 50 set/month

#### Product Specification

- Name: Pick And Place Machine
- Module: HT-F9
- Capacity: 200000 CPH
- Dimension: 2700\*2120\*1550 MM
- Max Pcb Size: 1200\*330 MM
- Warranty: One Year
- Highlight: **high speed led mounting machine, smt assembly machine**

## Product Description

### Led tube light pick and place machine with high-speed

#### About led light smt production line

There are many kind of led lights in the world, like the led tube, led panel, led bulb, flexible strip, lens, down-light, and so on. Many clients of ETON are the big led light factory in China. And we all know China is the big manufacturing country, we export many products also include the led lighting.

Besides, ETON machine have exported more than 15 countries, like the India, Thailand, Vietnam, Turkey, Egypt, etc. ETON also provide other smt machines for clients' convenience, we provide the smt production line machines, like the Stencil printer, Reflow Oven, Conveyor, Loader, Un-loader, etc.

#### Pick and place machine

The function of pick and place is pick the components and mount on the PCB.

Pick and place machine is widely used in many industry, not only the led light factory, but also the led display, electric boards, house appliance, and so on.

#### Parameter of HT-F9

HT-F9 is one module of our super high-speed pick and place machines. There are some important parameter of F9:

The capacity can be reach 200000 CPH.

The max pcb size can be 1200\*330 mm, the min size is 80\*330 mm

The mounting mode is Group to take and group to mount.

Suitable for LED 3014/3020/3528/5050 and resistors, capacitors, bridge rectifiers.

68 pcs Feeder Station and 68 pcs Nozzles.

Feeding way: Electric feeder with double motor.

#### Service

We provide standard warranty .  
Free install !  
Free training !  
Software update are free for life!

#### ETON Company

ETON company is the manufacture of pick and place machine, set up in 2011.  
We have our technology team.
