

200000 CPH Capacity Automatic Pick And Place Machine HT-F9 One Year Warranty

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE
- Model Number: HT-F9
- Minimum Order Quantity: 1 SET
- Packaging Details: wooden case
- Delivery Time: 30 days after pay
- Payment Terms: L/C, T/T
- Supply Ability: 50 set/month

Product Specification

- Name: Pick And Place Machine
- Module: HT-F9
- Warranty: One Year
- Capacity: 200000 CPH
- Payment: TT/LC
- Service: Free Install And Training
- Highlight: **high speed led mounting machine, smt assembly machine**

Product Description

Pick and place for different products

The function of pick and place

Pick and place function is pick components and mount on the pcb. Form a smt line with Stencil printer, Conveyor, Reflow oven, etc.

The apply of pick and place

Application
1.Many kind of Led lights manufacture, like the bulb, tube, lens, panel, street light, etc.
2. Many kind of electric boards, like the Household appliances

Pick and place machine details

Pick and place machine make up of Software + Electric +Machine part

The Software of ETON pick and place machine is independent research and development by ourselves. So we can provide the Software update are free for life .

The Electric also is independent research and development by ourselves

The Machine part we have our special design for more good for mounting and adopt the most Excellent manufactures from all over the world.

Parameter of HT-F9

HT-F9 is one module of our super high-speed pick and place machines. There are some important parameter of F9:

Dimension:Length2700mm*Width2120mm*Height1550mm
Suitable for LED 3014/3020/3528/5050 and resistors, capacitors, bridge rectifiers.
The max pcb size can be 1200*330 mm, the min size is 80*330 mm
The mounting mode is Group to take and group to mount.
68 pcs Feeder Station and 68 pcs Nozzles.
Feeding way: Electric feeder with double motor.
The capacity can be reach 200000 CPH.
Electric control independent research and development by ETON

Contact ETON company

ETON company as the big manufacture of led pick and place machine, we have exported more than 20 countries and we are high tech company with CCC, CE, SIRA.
