

## High Speed SMT LED Pick And Place Machine PCB Assembly Magnetic Linear Motor 380AC 50Hz

### Our Product Introduction

for more products please visit us on [smtmountingmachine.com](http://smtmountingmachine.com)

#### Basic Information

- Place of Origin: China
- Brand Name: Eton
- Certification: CE CCC ISO
- Model Number: RT-1
- Minimum Order Quantity: 1 unit
- Price: USD 35000~50000
- Packaging Details: Wooden box package
- Delivery Time: 30 work days
- Payment Terms: T/T

#### Product Specification

- Length: 1700MM
- Width: 1584MM
- Height: 1655MM
- Weight: 1000kg
- Power: 380AC 50Hz
- Components Space: 0.2mm
- Model: RT-1
- Function: Multi-functional
- Highlight: high speed led mounting machine, smt assembly machine

## Product Description

### Machines Window

#### RT-1 introduction

- w High Accuracy Magnetic Linear Motor + Panasonic Servo Motor
- w 10 heads 32 feeder stations
- w Mini mounting components 0402
- w The Height of Head can be Set Automatically, Maximum Height 36MM
- w Auto-optimization after coordinate generated
- w Vision for the Flight Identification, Mark Correction
- w Capacity can Reach 40000 CPH

RT-1 is a new model pick and place machine of Eton company. This machine designed for different types of PCB boards. Using newest high magnetic linear motor, so the speed and accuracy is better than normal multi-functional machines.

RT-1 can meet 0402 components, Max mounting height can be 36MM. It's suitable for various types of drives, power supplies, circuit boards, lenses, linear bulbs, home appliance control panels, etc.

RT-1 is also a module machine so you can put this kind of machine in series for saving cost and increasing production (For the products with lots of materials).

#### RT-1 Main parameters

Dimension	L*W*H 1104*1584*1655MM
Weight	950kg
Mounting Heads	10 Heads
No. of Feeder Stations	32 Stations
Components	LED, capacitors, resistors, shaped components, IC, etc.
Mounting Speed	40000 CPH
Components Size	Max:18MM Min:0402
Power	380V 50Hz
X.Y Axes Driving	High-end magnetic Linear motor + servo motor

### Company's information

#### Eton introduction

Shenzhen Eton Automation Equipment Co., Ltd established in 2009. Which is national high-tech enterprise. We concentrate on building national brand and provides customers with professional, efficient, low consumption and specializes in R&D, production, sales and service of SMT automatic high-speed placement machine. Since the establishment of Eton company, we have successively reached strategic cooperation with many domestic and foreign companies. And has achieved everyone's unanimous recognition and praise. In the field of high-speed placement machines has become a leading Chinese brand.
