

Excellent Service Full Automatic Good Performance SMT Pick And Place Machine Vision Camera

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CI,CCC,CE
- Model Number: HT-E8S
- Minimum Order Quantity: 1 Unit
- Price: 40000-50000
- Packaging Details: vacuum wooden package
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 Units per month

Product Specification

- Warranty: 1 Year
- Applicable Components: 0402
- Name: SMD Chip Mounter,SMT Pick And Place Machine
- Application: SMT Production Line
- Power Supply: AC220V 50Hz / AC110V 60Hz

HT-E8S

Magnetic linear motor multifunctional pick and place machine

Features:

1. Integrated flying vision system
2. Servo driven, position feedback from 2 micron linear scales coupled with a precision placement head
3. 8 Simultaneous pick-up head
4. Placement rates up to 40000 cph
5. The GUI (graphical user interface) in its class using Windows®-based software allows programming in minutes
6. Accurately place, manager, and track components with Smart Feeders
7. Up to 30 (all in 8mm) tape feeders
8. Accurately places a wide range of components including 0402, LED, BGA, 0.4mm pitch QFP, SMT Connectors and many others
9. Support cut tape, loose, tube, or tray feeders

Machine Model	E8S
The biggest circuit board area	1200×350mm
Maximum moving range	X axis 1220mm, Y axis 430mm
Z axis Maximum moving range	12mm
Typical patch speed	38000cph-52000cph
Typical LED lens patch speed	35000cph-45000cph
The theory of maximum patch speed	50000cph
positional accuracy	±0.05mm
Location way	Mark point camera + Visual camera positioning
Components can be placed	LEDchip,lens,DOB,inductor,connetor,capacitors,resistors,IC ,RGB,shaped components,socket,etc.

About Us

Shenzhen Eton automation equipment Co., Ltd. was founded in 2011. In the past nine years, our company has been focusing on the research and development, production and sales of SMT machines, serving thousands of domestic and foreign customers. The company's headquarters is located in Fuyong, Bao'an District, Shenzhen, with convenient transportation, and the plant area of the headquarters is 2000 square meters. There are after-sales service points in the Pearl River Delta, Jiangsu, Zhejiang and Shanghai. In 2014, our company has been in the overseas market India, Mumbai to set up offices, welcome customers who are interested in Indian market to discuss and cooperate, and jointly develop Indian market. In addition, our equipment in addition to India, Egypt, Vietnam, Indonesia, Turkey, Thailand, Russia, etc. have a large number of exports, welcome the cooperation of foreign trade companies.

Successful Experience:

Eton's customer in 35 countries around the world

1. We have been helping customers to build a lot of new factories around the world.
2. Training more than 500 experts and technician for customers.
3. Became the most reliable Chinese partner for you.

For SMT factory setup, we can do for you:

1. We provide full SMT solution for you
2. We provide core technology with our equipments
3. We provide the most professional tech service
4. We have wealthy experience on SMT factory setup
5. We can solve any question about SMT

Delivery and Shipment

Usually wooden vacuum package
