

DOB Linear Bulb Solar Panel 4kw Led Light Making Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC CE SIRA
- Model Number: RT-1
- Minimum Order Quantity: 1
- Packaging Details: wooden case
- Delivery Time: 30 days after pay
- Payment Terms: L/C, T/T
- Supply Ability: 50 set/month

Product Specification

- Module: RT-1
- Speed: 35000 Cph
- Apply To: LED Bulb, Panel, Tube, Display, Electrical Board
- Feeders: 32 Pcs
- Power Consumption: 4 Kw
- No.of Camera: 2 Pcs
- Highlight: **DOB Led Light Making Machine,
RT-1 Led Light Making Machine**

Product Description

DOB linear bulb solar panel down-light led light making machine

Parameter

Max Pcb size: 400*350 mm
 No. of Feeders station :32 pcs
 No. of Nozzles: 10 pcs
 Power consumption: 4 KW
 X/Y/Z Axis Drive way: Servo motor
 Feeding way: Electric feeder with double motor
 Components: LED, capacitor, resistor, shaped components,etc
 Mounting Height: no more than 22 mm

Features

1	Group picking and separate placing, separate picking and separate placing.
2	Magnetic linear motor
3	Auto-optimization after coordinates generated.
4	Vision alignment flight identification, mark correction
5	Suitable for many products, like lighting driver, electrical board, panel light, bulb, strip, display, etc.

Company information

It has been almost ten years since ETON was established. During these ten years, our machines have been continuously updated, and technical parameters have been breakthrough developments.

The speed, accuracy, frame, and even refueling methods of the machine have been improved. . At present, ETON occupies a large LED market in the domestic market, and we are constantly seeking new growth points in foreign markets. In the near future, our machines will adapt to more fields and serve more electronic suppliers

We have more than 8 kinds of modules, each modules have different speed and suitable for different components. From 35000 cph to 200000cph. We can say that our machine is fastest pick and place machine in the world.

FAQ

What kind of feeder you have?

A: We provide 8mm, 12mm, 16mm, 24mm feeders.

Do you have agent in Turkey?

A: Yes, please contact us for more details.

How about your service?

A: We provide one year warranty and free install and training.
