

E8D Module 8KW 90000cph 24 Heads SMT Mounting Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC
- Model Number: HT-E8D
- Minimum Order Quantity: 1 set
- Packaging Details: Wooden case
- Delivery Time: 4 weeks after payment
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 50 sets per month

Product Specification

- Max Pcb: 1200*300 Mm
- Capacity: 90000 Cph
- Name: Pick And Place Machine
- Apply To: Smt Production Line
- No.of Feeder Station: 48 Pcs
- No.of Nozzels: 24 Pcs
- Mounting: LED /capacitor/resistor/IC/Shaped Components
- Install: Free
- Training: Free
- Module: E8D
- Highlight: **8KW SMT Mounting Machine,
90000cph SMT Mounting Machine**

Product Description

The newest high speed 24 heads smt pick and place machine

HT-E8D Technical Parameters:

Birth place	China
Model	HT-E8D
Dimension	3150*2900*1900mm
PCB	Max:1200*300mm Min:100*100mm
PCB thickness	0.5—5mm
Mounting mode	Group picking and separate placing Separate picking and separate placing
Mounting precision	+ -0.04mm
Mounting height	<15mm
Mounting speed	8000CPH
Power consumption	8KW
No of feeders station	48
No of nozzles	24
XYZ axis drive way	High-end magnetic linear motor+servo motor

Are you troubled by the efficiency of assembly of electronic product components?

Do you want to assemble an SMT line without clue?

Do you not know how to choose a pick and place machine?

Don't worry! Here you can find more and better!

HT-E8D Advantage:

It can produce 2 different products at the same time. Dual module Greatly to improve production efficiency.

Mounting various components: LED, capacitors, resistor, IC, shaped components, etc.

Ultra small components: Min. Size:0402, Max height:36mm

Application: power driver, electric board, lens, linear bulb, household appliance, etc.

HT-E8D Wide Application:

Suitable for various electronic products: televisions, computers, household appliances, LED lights, etc.

Used for mounting circuit boards of various electronic products, such as: power supply, driver, installation of LED bulbs, etc.

product details:

Three major technological breakthroughs

1. Magnetic levitation motor, no friction, more flexible, more flexible head movement
2. 24 heads, more heads, mount more components at one time
3. Flight recognition, mark correction, automatic compensation during placement, more accurate placement

Packaging and shipping:

Double-layer vacuum wood packaging

By sea, air, land, a variety of transportation methods are available for your choice

service:

1. Serve you sincerely 24 hours
2. There are offices in many countries in India, which can provide on-site technical services
3. Can provide complete SMT line machine and production line design services
4. Own industrial park, you can visit the factory to understand

Company strength:

1. Certificate: CCC, CE, SIRA...
2. It has an independent R&D team and won a number of invention patents: 2015 Technology Innovation Award, the 4th LED China First Award...
3. The products are exported to more than 20 countries including India, Vietnam, and Turkey, and they have won the love of many customers

FAQS:

1. How long can be shipped after the order ?

A: After the order is placed, we will immediately prepare the goods, generally can be shipped within 1 month, except for customized products

2. Do you provide after-sales technical services?

A: Yes, we do. We can send professional engineers to the working site for equipment installation, adjustment, and operation training.

3. Are you a trading company or a factory?

A: We have the factory and we are committed to the R & D, production, sales and after-sales technical services of SMT high-speed patch.

4. What is the payment method?

A: L/C or TT.

5. Do you have your own R&D team?

A: Yes, we can customize products as your requirements.

6. What is the power supply?

A: 380AC, 50HZ.

Add: If you have any other questions, please do not hesitate to contact us, there is our contact information at the end, we will serve you 24 hours.
