

Led Strip Light HT-T9 200000CPH 68 Heads SMT Mounting Machine

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE,CCC,SIRA
- Model Number: HT-T9
- Minimum Order Quantity: 1 set
- Price: EXW USD 95000/sets
- Packaging Details: Our packing is made of wooden box with vacuum package, and we promise to deliver the goods within four weeks after payment.
- Delivery Time: 30 days after deposit
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Name: Pick And Place Machine
- Components: LED 3014/3020/3528/5050 Resistor Capacitors
- Feeders: 64 PCS
- Nozzles: 64 PCS
- Speed: 200000CPH
- PCB Size: 250mm*any Length
- Highlight: **200000CPH SMT Mounting Machine, HT-T9 SMT Mounting Machine**

Product Description

full automatic led strip light 68 heads pick and place machine

Outline:

Dimension: 3100*2300*1550 mm

Total weight: 1700 kg

Application: unlimited length soft light strip, etc.

PCB length width: 250*any length

PCB thickness: 0.5—1.5mm

Mounting mode: Group to pick and group to mount

The new upgrade:

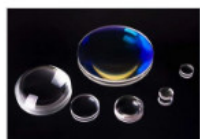

1. Can mount unlimited length soft light strip
2. Four modules with dual placement heads, which can mount four different components at the same time
3. Exclusive patented technology: group picking and group posting, with a production capacity of 200,000CPH

Mount the flexible light strip, the advantage is obvious

Different types of flexible light strips: 3014, 3020, 3528, 5050

And also Capacitors, resistors, bridge stacks, RGB...

components&application

Mounting components:
LED, capacitors, resistors,
IC, shaped components, etc.

Application: Power driver,
electric board, lens, linear
bulb, household appliance etc.

Our Services

1. We can design a whole SMT line for you
2. We have offices in India and other countries, which can provide door-to-door service
3. We can customize a placement machine suitable for your product for you
4. All our machines have a one-year warranty
5. We will serve you wholeheartedly 24 hours a day
6. We have English sales specialists who can communicate without barriers.

Multiple modes of transportation

Company strength

ETON (Shenzhen ETON automation equipment CO.,LTD.)

1. We have an independent industrial park, and production can be standardized and streamlined
2. We have an independent R&D team, and have been constantly innovating since our establishment
3. Our products are exported to as many as 20 countries such as South Korea, India, Vietnam, etc.
4. We have obtained multiple technology patents

FQA

Q: Is it hard to use these machines?

A: No, not hard at all. For our previous clients, at most 2 days is enough to learn to operate the machines.

Q: Does your machines have quality certificate?

A: All of our machines have passed CE, CCC, SIRA

Q: What's the terms of payment? What about the trade term?

A: T/T is OK. You can choose FOB Shenzhen.

Q: How is the training?

A: After buying our machines, you can send your engineers to our factory, or we send our engineer to your factory, and then we will train your people to operate these machines.

Q: English version for these machines?

A: Yes
