

PCB pick and place machine high precision LED flexible making machine with good stable

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: HT-F7S
- Minimum Order Quantity: 1 set
- Packaging Details: Wooden case
- Supply Ability: 50 sets/month

Product Specification

- Speed: 150000-170000CPH
- Size: 2700*2450*1530mm
- Weight: 1600kg
- Warranty: 1 Year
- Mounting Height: $\leq 5\text{mm}$
- Delivery: 15-30 Days
- Highlight: 170000CPH LED Panel Light Mounter,
5KW LED Panel Light Mounter,
CCC PCB Smt Mounter Machine

Product Description

PCB pick and place machine high precision LED flexible making machine with good stable

Product Parameter

Dimension	2700*2450*1530mm	
Total weight	1400kg	
PCB	size	Max:1200*330mm Min:50*50mm
	Thickness	0.1-6mm
	Clamping	Mounting clamping
	Mounting mode	Group picking and separate placing,separate picking and separate placing.
O.S.	System	Windows 7
	Software	R&D independently
	Display	Touch screen monitor
	Input device	Keyboard,mouse
Vision system	camera	5 PCS digital camera
	Mounting precision	0.02mm
	Mounting element height	≤5mm
	Mounting speed	150000-170000 CPH
	Components	LED3014/3020/3528/5050 and capacitor,resistors,bridge rectifiers,etc.
	Components space	0.2mm
	Feeder station	68 PCS
	Nozzles	34 PCS

Product features

1. The machine Mainly for half meter and 1 meter flexible light,Tubes and panel lights can also be mounted.
2. The mounting head is respectively in the left and right groups, each group has 17 nozzles.
3. Calibration automatically,high precision,available for RGB.
4. Exclusive patent technology:Group to pick and group to mount

Mounting product

The machine HT-F7S is highspeed pick and place machine,speed reach 170000CPH
Apply to the 0.6M,0.9M,1.2M rigid PCB and 0.5M,1M LED flexible strip.

Introducing brand

ETON is committed to the development and production of LED high-speed SMT machine, multifunctional SMT machine, automatic SMT machine, and has obtained a number of national patent certificates.

Our Industry Park

The factory belonging to our company has been successfully built, equipped with advanced processing and manufacturing centers, scientific research buildings, exhibition halls, etc., to ensure quality from the source and further standardize production processes

Package and delivery

- ✿Standard export vacuum waterproof package
- ✿Strong wooden package for ensure safely delivery of heavy and large equipment
- ✿Delivery:By air,sea and railway.

Payment and service

Service

1. Maintenance period :one year
2. Free installation and training
3. Visit clients regularly and gather information
4. Provide latest information about technology and equipment

Payment

We accept
TT payment

Delivery

Within 30 days after
receiving the deposit!

Our company Products

Our company produces high-speed machines, multi-function machines and SMT machines

FAQ

Q: Is it safe during the delivery?

A: All the machine is packed safely, by standard strong wooden carton with vacuum package.

Q: What is your transportation?

A: Sea transportation, land carriage and air transportation is OK.

Q: How is your training?

A: We will send our engineer to your factory to install machine and training freely. If client is India, we have service office in India, can support quickly.

Q: If I have no experience, The machine is easy to use?

A: Yes, our machine is designed to use easily, usually 3 to 5 days to learn how to operate.
