

## Automatic PCB pick and place machine hot sales with LED making machine production line

### Our Product Introduction

#### Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC, CE, SIRA
- Model Number: HT-F9
- Minimum Order Quantity: 1 SET
- Packaging Details: Wooden case
- Supply Ability: 50 SET/month

#### Product Specification

- Name: Dual Arm Four Module
- PCB Max Size: 1200\*330mm
- PCB Min Size: 100\*100mm
- Mounting Mode: Group To Take And Group To Mount
- PCB Clamping: Adjustable Pressure Pneumatic
- Mounting Speed: 200000-250000CPH
- Highlight: **250000CPH SMT LED Mounting Machine, 20W SMT LED Mounting Machine, CCC Flexible Strip Machine Mounter**

## Product Description

### Automatic PCB pick and place machine hot sales with LED making machine production line

#### Product feature

Super speed pick and place machine,the capacity reach 20W  
Apply to the 0.6M,0.9m,1.2m rigid PCB and 0.5m,1m flexible strip  
Dual arm four modul,17 nozzles for each mounting part

#### Introduce products

This machine HT-F9 is a super high speed machine and magnetic linear LED making machine, through group to take and group to mount achieve the production capacity of 200,000 points.

#### Product parameter

PCB Length width	Max:1200*330mm Min:100*100mm
PCB thickness	0.5~5mm
PCB clamping	Adjustable pressure pneumatic
Mounting mode	Group to take group to mount
camera	5 PCS Vision alignment,mark correction
Mounting precision	±0.02 mm(repeat precision)
Mounting element height	≤5mm
Mounting speed	200000~250000 CPH

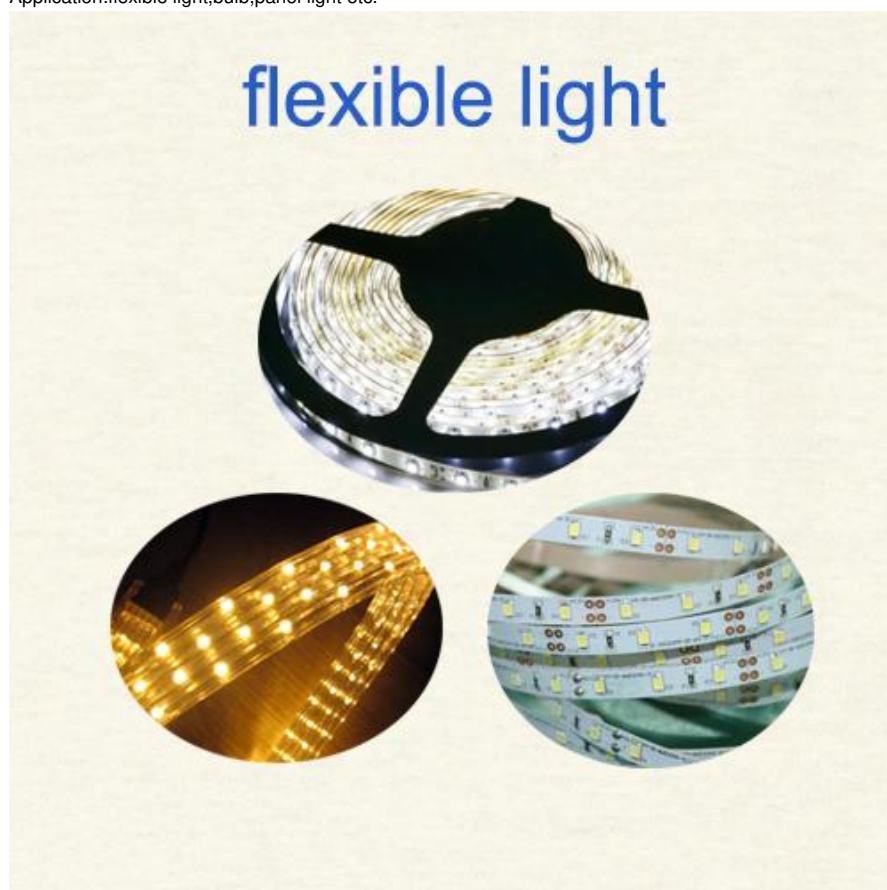

#### Feeding system

X Y Axis Drive way	High-end magnetic linear motor+servo motor
Feeding way	Electric feeder with double motor
heads	68 PCS
Feeder station	68 PCS

#### Components&Application

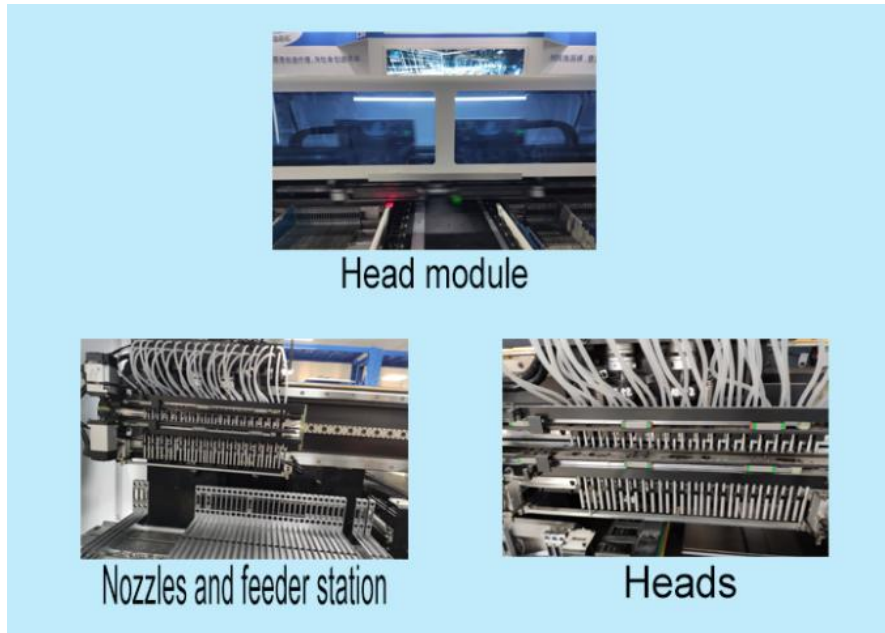

Components: LED3040/3020/3528/5050 and resistor ,capacitor,bridge rectifiers

Application:flexible light,bulb,panel light etc.

## About detail of F9 part

The machine HT-F9 is dual arm machine,the heads are 68 PCS,feeder station is 68 PCS.

## Certification of ETON

## Company information

Our company is a leading SMT machine manufacturer of highspeed pick and place machine,we start from 2011,around 8 years,and have Industrial Park.

## Exhibition information

We also have many exhibitions, such as the domestic Shanghai Munich exhibition, and foreign India Delhi exhibition, India Mumbai exhibition, Pakistan exhibition, Turkey exhibition, Thailand exhibition and so on.

### Packaging

We use vacuum wooden box packaging

Step 1:Film packaging

Step 2:Vacuum packing

Step 3:Wooden box packing

### Payment and Delivery date

1. Term of Payment:30% depositing on the date of signing contract,70% payment before delivery.
2. Delivery date:Within 30 days after receiving the deposit

### About our services

- ☉ Professional solutions:provide professional SMT full line solution
- ☉ Warranty:1 year warranty factory service
- ☉ Free Installation:one-site free installation to ensure smooth production
- ☉ Free technical training:professional training of operating and maintenance
- ☉ Technical support:24 house online support
- ☉ Software Upgrade:offer free software upgrade whole lifetime.

### FAQ:

#### Q:Are you a manufacturer or trading company?

A:We are an enterprise integrating R&D, production, sales and after-sales service

#### Q:When can I expect delivery?

A:Within 30 days after deposit

#### Q:What is terms of payment?

A:It is T/T

#### Q:Which language is the software?

A:English or Chinese.

#### Q:What about the shipping methods?

A:Our mode of transportation is by sea,air and road
