

PCB Semi Automatic Stencil Printer Solder Paste Printing Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: ET-S600
- Minimum Order Quantity: 1 set
- Packaging Details: Wooden package
- Payment Terms: L/C, T/T
- Supply Ability: 50 sets per month

Product Specification

- Machine Name: PCB Stencil Printer Machine
- Max Pcb Size: 600*300 Mm
- Weight: 250 Kg
- Platform Size: 320*650 Mm
- Highlight: PCB Semi Automatic Stencil Printer,
SIRA Semi Automatic Stencil Printer,
PCB Paste Printing Machine

Product Description

PCB Semi Automatic Stencil Printer Solder Paste Printing Machine

Five features of machine

Multi-functional, this stencil printer suitable for different kind of PCB, the max PCB size is 600*300 mm, suitable for flexible strip and hard board. Easy operating, cause this module is semiautomatic printer, it is operate by workers, but it is really easy, only need press the bottom and put the PCB on the machine. Two steps is finished.

Economy but same capacity, Semiautomatic stencil printer machine is same capacity as the automatic, but the cost is fewer much compared with the automatic stencil printer machine, it is very suitable for the product which not inquiry high precision and board is simple.

High quality, for semiautomatic stencil printer machine, there is fewer problem, no need more cost for maintains.

Specification

Module	HT-S600
Machine Name	Stencil printing machine/ printer
Dimension	700*1050*1650 mm (L*W*H)
PCB Size	600*300 mm
Platform Size	320*650 mm
Fixed printing position	Positioning pin
Weight	250 kg

Widely application

Semiautomatic stencil printer machine is very flexible, suitable for different pcb sizes products, such as the led tube, bulb, strip light, driver board, etc. It is easy to change the stencil for different board.

Company Profile

ETON Automation Equipment Co. LTD. set in 2011, is a leading manufacturer of SMT machine, focusing on "High efficiency Low consumption" in the word, meanwhile ETON is also the largest high-tech manufacturer in China with strong capability of design, R&D, manufacturing, sales and service. ETON Machine hot sell more than 20 countries and got large more than 80% big market share in China big led factory.

Packing & Delivery

Our package is adopt vacuum wooden package, shipping by sea, by air or by railway .

FAQ

The above is a brief introduction of our company, for share more details about machine or ETON brand, if you have the similar question or machine inquiry, please contact us now !

Q1: Do you have show exhibition in Egypt ?

A: Yes, ETON Machine is hot sell in all over the world. We have showed in Egypt, Turkey, India, Thailand, Vietnam, etc

Q2: What kind of product machine suitable for ?

A: Our smt machine suitable for many kind of products, such as the led bulb, tube, strip light, roll to roll strip lamp, driver board, led display, down-light, street light etc. We would like to share more machine detail if we have your contact !

Q3: Could you provide the whole smt line ?

A: Yes, we could provide the whole line machine with you, included Pick and place machine, stencil printer, conveyor, Reflow oven, Loader, Unloader, Solder mixer, etc.
