

300mm Pcb Board Led Bulb Assembly Machine Smt Buffer Loader

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC, CE, SIRA
- Model Number: BF250
- Minimum Order Quantity: 1 set
- Packaging Details: Vacuum wooden box packaging
- Delivery Time: Shipped within 30 days after the deposit is paid
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Circuit Board Capacity: 15 Pieces (or Customer Specified)
- Cycle Time: Minimum 0.6MM
- Transport Height: 900±20mm
- Transport Direction: Left-Right; Right-Left
- PCB Thickness: 0.5-5mm
- PCB Size(L*W) Mm: 80*50-330*250
- Dimension(L*W*H)mm: 500*670*1600
- Approximate Weight (Kg): Appro.120
- Highlight: **PLC Smt Buffer Loader,
Smt Led Bulb Assembly Machine,
Smt Buffer Loader**

Product Description

High quality pcb loader automatic smt buffer loader for storing 300mm pcb board

Description

This equipment is used to cache the circuit boards in the production line, and can also be connected to the inspection equipment for NG/OK hierarchical storage

General Description

1. PLC Control system
2. HMI control panel, simple operation
3. 50 PCBs storage capability
4. Store NG/OK PCB automatically according to the signal of upper equipment
5. FIFO (First in first out), LIFO (Las in first out) and pass through function

Model	BF250	BF330	BF390	BF460
PCB Size(L*W) mm	80*50-330*250	80*50-460*330	80*50-510*390	80*50-510*460
Dimension(L*W* H)mm	500*670*1600	500*740*1600	600*810*1600	660*880*1600
Approximate weight (Kg)	Appro.120	Appro.140	Appro.160	Appro.180

Technical paramental

Transport height	900±20mm
Transport direction	Left-Right; Right-Left
Power Consumption	Single-phase AC110 220V (optional), maximum 850 VA
Circuit board capacity	15 pieces (or customer specified)
Cycle time	Minimum 0.6MM
PCB Thickness	0.5-5mm
PCB Clamping	Adjustable pressure pneumatic
Air pressure and flow	4 6Bar, up to 5L/min

Company information

In 2007, We established the Taipei R&D Center and started the special chip mounter technology and patent research and development.

In 2008, Hong Kong Hong ETON Group Co., Ltd. was established. ETON has made great achievements in the field of LED and has been working hard.

In 2011, Shenzhen ETON Automation Equipment Co., Ltd was founded. It is a manufacturing and process solution provider focusing on R&D, production, sales and service of SMT high-speed pick and place machine and SMT peripheral automation equipment.

Now, ETON has SMT high-speed pick and place machine division, precision solder paste stencil printer division, high-speed precision dispensing equipment division, and SMT peripheral automation equipment division.

SHENZHEN Office

ETON Industrial Park

50,000 square meters

7 buildings

300 employees

assembly line

CNC workshop

Production line Exhibition hall

10 Years Development History
Independent R&D, Exclusive patented Technology
80% large and listed LED factory are our client
Top 1 in highspeed pick and place machine in China

After-services

- 1) Professional sales manager of LED SMT machine, provide professional suggestion and service to you !
- 2) 24 hours online service and technical support, solve your questions quickly!
- 3) Sound company organization and working system, guarantee you a fast delivery!
- 4) Design and provide the whole SMT processing lines for you based on your budget , workshop covering area with best prices!

FAQ

1. Do you supply PCB conveyor machine?

A: Yes, we supply whole SMT line machine, like the conveyor, pick and place machine, reflow oven machine, etc.

2. Is this automatic stencil printer machine suitable for printing lighting driver board?

A: Yes, this automatic stencil printer machine is very high precision, suitable for max pcb size is 400*340mm, printing accuracy reach 0.025 mm.

3. What is this machine warranty ? And how about the after sales service?

A: We provide one year warranty, during warranty, any parts need to be repaired and replaced will be free. And we will support machine install and training online, also machine support remote control, machine will be very easy for operate.

4. Why should you buy from us not from other suppliers?

We are high-tech professional manufacturer of SMT machine with more than 10 years with good quality and reputation. We have rich experience in helping client to start new factory and new line. "Professional, high-effective, cost-saving" are our advantages.
