

Two module led smt production line 180000 CPH highspeed mounter led light making pick and place machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: HT-T7S
- Minimum Order Quantity: 1 Set
- Packaging Details: wooden box with vacuum package
- Delivery Time: 30 days after deposit
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- No.of Camera: 5PCS (Digital Camera)
- PCB Length Width: 250mm*any Length
- Model: HT-T7S
- Mounting Mode: Group To Pick And Group To Mount
- PCB Thickness: 0.5-1.5mm
- Mounting Height: ≤5mm
- Mounting Speed: 150000-180000CPH
- Components: LED 3014,3020,3528,5050 And Capacitors, Resistor,bridge Rectifiers.etc.
- No.of Feeders Station: 68
- No.of Head: 34
- Highlight: 180000 CPH SMT Mounter , 180000 CPH SMT Chip Mounter , SIRA SMT Chip Mounter

Product Description

Unlimited length highspeed mounter for flexible strip(no wire)

Production Introduction

Features

- Capacity reach 180000 CPH
- Two module, part A or part B can be mounted separately or synchronously.
- 34 nozzles, 68 feeders station
- Group to pick and group to mount.
- High precision, available for RGB
- 5 pcs camera
- High-end magnetic linear motor and servo motor

Our Product Introduction

Making below product

Available for 5M, 50M, or any length of flexible strip and roll to roll.

Flexible strip 1

Flexible strip 2

Flexible strip 3

Production accessories

The pick and place have many accessories, we high-quality accessories. such as Grating scale imported from Japan Nidec, Guide rail imported from Japan THK, etc.

Grating scale

Code reader

Guide rail

Parameter

Technical parameter	
Model	HT-T7S

Dimension(mm)	3100*2300*1550
Total weight	1700kg
PCB	
PCB length width	250mm*any length
PCB thickness	0.5-1.5mm
PCB clamping	Vacuum absorption, cylinder splint,adjustable track width
Mounting mode	group to pick and group to mount
No.of camera	5PCS(Digital camera)
	vision alignment, mark correction
repeat mounting precision	±0.02mm(repeat precision)
mounting height	≤5mm
mounting speed	150000-180000CPH
components	LED 3014,3020,3528,5050 and capacitors, resistor,bridge rectifiers.etc.
No.of feeders station	68PCS
No.of head	34PCS

Company show

Our company ETON is Top brand of pick and place machine in China. 5200 square meters industrial park, over 10 years LED lighting field, professional R&D team and after sales service team. Have series of products, for pick and place machine: RT (RT-1/1S,RT-2, RT-4), HT (T9/T7S/X9/F9/F7S/E8S/E8D), etc. in addition, we have SMT Peripheral automation equipment. For product market have so many high quality customer, including Domestic and Foreign.

Industrial Park

Work room

Exhibition show

We have many experience for exhibition show, including Domestic and Foreign. we can provide professional advice to you, cause we have over 10 years experience of pick and place machine. in addition, we have professional R&D team ensure the high quality machine. provide suitable suggestion to every customer.

ETON Exhibition

ETON is committed to building an international brand, dominated by SMT machines, to show the world the technological strength of our brand, and to show the quality of our machines on a global scale. In the past, we have participated in many LED lighting exhibitions and professional equipment exhibitions in India, Vietnam, Thailand, Turkey, Egypt and other countries.

Certification

ETON have below certification to ensure the high quality product, software patents can make the product more precious and more quick, more suitable for customer requirement. also our company care about lower consumption, Environmental friendly. contribute to the society.

SMT whole line solution

we can according to the product, layout, requirement to design better product line to customer, also that is we always do it. get many high ratings from customer.

Services

We can provide Five star services, from Pre-sale, On sale, after sale. we alway provide best support to you.

Pre-sale:

Provide equipment and SMT production lines that meet customers' needs according to customer needs;
Provide relevant suggestions to customers;

On sale:

Real-time follow-up of the production situation of the customer's machine and inform the customer of the production progress

After sale:

Arrange engineers to come to the factory to install, debug and teach free of charge;
One-year maintenance period. During the maintenance period, any parts that need to be replaced or repaired are free of charge;
Every year there is an opportunity for free machine maintenance;
Visit customers regularly to understand the usage of the machine and collect customer feedback

Our Advantages

**Brand
Guarantee**

**Quality
Assurance**

**Quick
Response**

**Quick
Delivery**

Five-star Services

Professional solutions: Provide professional SMT Full line solutions

Free Warranty: One-year warranty factory service.

Free Installation: On-site free installation to ensure smooth production.

Free Technical Training: Professional training of operating and maintenance.

Free Technical Support: 7 * 24 technical online support.

Free Software Upgrade: Offer free software upgrade whole lifetime

FAQ

Q: What we can do for you?

A: SMT Solution manufactures; Reliable SMT Partner, customizable available.

Q: Are you a trade company or manufacturer?

A: Full SMT machines **Top** manufacturer for smt line in China; have 5200 square meters industrial park

Q: What is your delivery date?

A: About 20 days after receipt of full payment.

Q: What your main customers?

A: OPPL, Sk YURRO, NAVIGATE, FSL, OML, SHIMMERING, NTL, etc.

Q: Why choose you?

A: Top brand SMT Supplier in China; Professional Supplier on Alibaba; professional R&D team and service team.
