

High Speed SMT Mounting Machine 250000CPH Dual Arm 68 PCS Nozzles

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: HT-F9
- Minimum Order Quantity: 1 Set
- Packaging Details: wooden box with vacuum package
- Delivery Time: 30 days after deposit
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Dimention(mm): 2700*2300*1550
- Total Weight: 1700kg
- PCB Length Width: MAX 1200*330mm MIN100*100mm
- PCB Thickness: 0.5-5mm
- Mounting Precision: ± 0.02 mm
- Mounting Height: ≤ 5 mm
- No.of.feeders System: 68PCS
- No.of .head: 68PCS
- Components: LED
3012/3020/3528/5050, resistor, capacitor, bridg Rectifiers
- Feeding Way: Electric Feeder With Double Motor
- Highlight: High Speed SMT Mounting Machine,
Dual Arm SMT Mounting Machine,
200000CPH Pick And Place Machine

Product Description

High Speed SMT Mounting Machine 250000CPH Dual Arm 68 PCS Nozzles

Features

Apply to the 0.6M,0.9M,1.2M rigid PCB and 0.5M,1M LED flexible strip.
producing with 4 types materials at the same time with high capacity .
available for borad with any proportion of LED chip and resistor.
Calibraton automaticlly, high-precision, available for RGB
Accessories imported top brand ensure to high quality
Elxclusive patend technology:Group to take and Group to mount

Our Product Introduction

Cylinder

Imported from Japan THK

Drive the machine for linear reciprocating motion High precision, strong flexibility, strong sealing and not easy to deform, strong adaptability.

Grating scale

AIRTAC Brand from Taiwan, China

Support and guide moving parts, reciprocating linear motion in a given direction, used in mechanical structures with high precision requirements.

Model	HT-F9
system	windows 7
software	R&D independently
display	touch screen monitor
input device	keyboard,mouse
No.of camera	5PCS(Digital camera) vision alignment, mark correction
PCB clamping	Adjustable pressure pneumatic
Mounting mode	Group to take and group to mount
Mounting speed	200000-250000CPH
No.of feeders station	68PCS
No.of head	68PCS
power	380AC 50Hz
Power consumption	6kw
operating environment	23 ±3

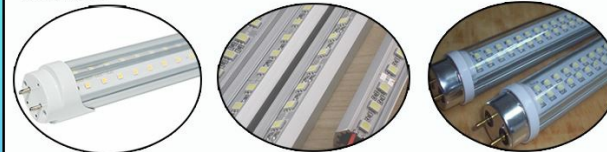

Application

Show the photos. suitable for rigid PCB and LED flexible strip, led tube, panel light.

Flexible strip

LED tube

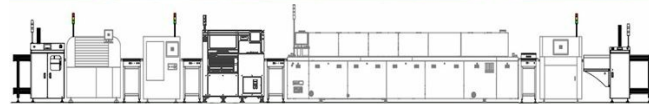

Panel light

SMT whole line and machine

ETON is Top brand of pick and place machine in China. over 10 years LED lighting field, professional R&D team and after sales service team. ETON supply whole SMT line machine, mainly included : Automatic stencil printer, Semi-automatic stencil printer, Conveyor, Pick and place machine, Reflow oven machine, Loader, Un-loader machine, PCB cleaning machine, stencil printing machine, etc.

Double rail translation conveyor

Double rail conveyor

Automatic loader

Automatic unloader

Buffer loader

NG/OK double unloader

Stacking loader

Single rail translation conveyor

Singel rail conveyor

Application Company show

Efficient team: We provide the most systematic solution for you. The best suggestions of full SMT line equipment according to your budget and site.

Competitive price: We are directly manufacture of the ETON pick and place machine, so we can give you the best competitive price with high quality materials .

High quality: We have strictly quality control during all production from raw materials to the finished machine.

High efficiency : All machines parts are made by ourselves, so it's convenient to control the time schedule and quality timely.

Our Exhibition

ETON got more than 14 years R&D experience in SMT industry equipped with core technology

ETON Got large more than 80% big led lighting industry market, machine hot sell to more than 20 countries.

Our machines are exported to many overseas countries, we have participated in exhibitions in China, India, Turkey, Egypt, Pakistan, Tunisia, Vietnam, Thailand, Germany, Russia and other countries and regions, so that more overseas customers know us.

FAQ

Do you have oversea after sale service?

We can provide technical support abroad. If you have any technical problems, our engineers will provide you with timely support.

Abroad, we have India office, Indian engineer, Jerusalem office, engineer, Egyptian engineer, etc.

How is the training?

After purchasing our machines, you can send your engineers to our factory, or we send our engineers to your factory, and then we will train your personnel to operate these machines. Online training and video tutorials. During the epidemic, if our engineers can't make it through, we also have special one-on-one online training and video tutorials..

It's hard to use the machine?

Machine is very intelligent and easy to operate, like the intelligent phone, also the software is made by our company, so we know how to make it more intelligent and operate friendly.

Does your machines have quality certificates?

We are high-tech enterprise with CE, SIRA, CCC, ISO awarded as "Well-know brand" and many technology patents, and have rich experience (more than 10 years) in LED light production line program.

why should you buy from us not from other suppliers?

We are high tech professional manufacturer of SMT machine with more than 10 years with good quality and reputation. We have rich experience in helping client to start new factory and new line. "Professional, high-effective, cost-saving" are our advantages.
