

Pcb Smt Led Pick And Place Machine 20 Pcs Nozzles Head 80000 Cph 450*300

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: RT-2

Product Specification

- Highlight: Smt Led Pick And Place Machine,
Pcb Led Pick And Place Machine,
80000 Cph smt assembly machine

Product Description

Pcb Smt Led Pick And Place Machine 20 Pcs Nozzles Head 80000 Cph 450*300

Feature

Vision camera: 4 pcs, vision alignment, mark correction.
Auto-optimizaion after coordinates generated, make sure high precision.
Feeding way: Electronic feeder feeding system, can make pick components so quickly and correct.
XYZ diver way : High-end magnetic linear motor and servo motor make sure high precision and high speed.
Support OEM, ODM.

Model	RT-2
Dimension	1200*1930*2500

PCB	
PCB length width	MAX:450*300mm MIN:80*80mm

Our Product Introduction

PCB thickness	0.1-6mm(if<0.6mm, need jig)
PCB clamping	pneumatic
Mounting mode	group picking and separately placing, separately picking and separately placing.
No.of camera	4pcs accurate imge recognition vision alignment, mark correction
mounting speed	80000CPH
components	LED chip, capacitors, resistors, IC, shaped componets. etc.

Application

ETON pick and place machine, can mounted many different products. such as: led bulb, led street light, led flexible strip light, lens, display, etc.

Our service

SMT whole line solution

Warranty: one year, also provide 7*24 hours technical online support.

Local service good for oversea customers. Such as India, Egypt, Turkey, etc.

Free Technical Training, Professional training of operating and maintenance.

10 year manufacturer of SMT machine R&D independently Professional Solutions,Provide professional SMT full line solutions

Our Company

ETON is pioneer enterprise of pick and place machine localization,China practitioners of high-end intelligent equipment.

Pioneer enterprise of pick and place machine localization China practitioners of high-end intelligent equipment

Modern self-owned industrial park with 52,000 square meters

More than 500 employees

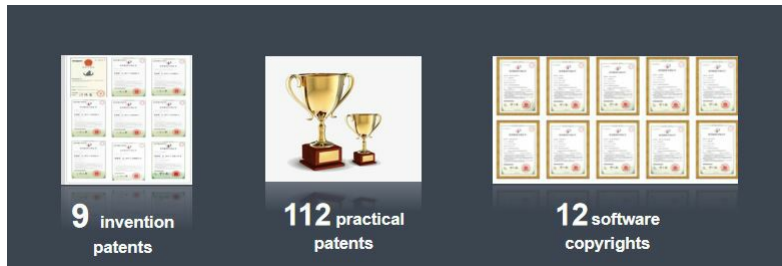

ABOUT US

ETON is a manufacturing and process solution provider focusing on R&D, production, sales and service of SMT high-speed pick and place machine and SMT peripheral automatic equipment.

The company has SMT high-speed pick and place machine division, precision solder paste stencil printer division, high speed precision dispensing equipment division, and SMT peripheral automation equipment division.

Eton's products are exported to more than 20 countries and regions, obtains a number of intellectual property technologies. Looking forward to the future, ETON will aim to "Create a well-known national brand and build a world-class enterprise", forge ahead, and make greater contributions to the industry and society.

Company certification

Advantages

SMT whole line solution, can provide related smt machines, and help to find raw materials.

R&D team, provide high quality smt machines, offer free software upgrade whole lifetime.

52000 square meters industrial park Industrial park, we have stronger manufacturing capacity.

Local office can provide the best service for you. India, Egypt, Turkey, and we make a plan to build up office in other country, eg: Tunisia, Russia, Poland and so on.

Our company stick to five level management policy: sincere business, focus on R&D, manufacturing intentions, considerate service, customer trust

Market

Many domestic and foreign customers to reach a long-term cooperation with ETON, ETON is your best bet for success.

1. ETON is Top brand of SMT machine in China. Got large more than 80% big led lighting industry market.
2. Our products are exported to more than 20 countries & regions, such as South Korea, Turkey, Egypt, India, Russia, America, Brazil, Tunisia, Poland, Lithuania, South Africa, Iran/Vietnam, Pakistan, Saudi Arabia, Uzbekistan, Nigeria, Germany, etc.

FAQ

Do you inspect the finished products?

Yes, each step of production and finished products will be came out inspection by **QC department** before shipping.

Do you have oversea after sale service?

We can provide technical support abroad. If you have any technical problems, our engineers will provide you with timely support. In addition, we have **India office, Turkey office, Egypt office**, etc.

What is your delivery date?

The delivery date is about **20** days upon the full payment.

What is your payment terms?

100% payment before delivery or **50%** deposit in advance and the rest before shipment.

How is the warranty?

1. Every machine will be checked carefully before shipping out. Buyers should check the package once receiving.
2. The complete machine has a warranty period of **12 months** from delivery and lifetime maintenance service.
3. We provide online Q/A and troubleshooting support and technical advice service. Provide one to one after-sale service.
