

## Automatic spotlight led bulb machine industrial lamp RGB bridge rectifiers led bulb manufacturing machine

### Our Product Introduction

for more products please visit us on [smtmountingmachine.com](http://smtmountingmachine.com)

#### Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: HT-E8S-1200
- Minimum Order Quantity: 1 Unit/Units
- Price: USD 85000-90000 Unit/Units
- Packaging Details: Vacuum packing in wooden case
- Delivery Time: 15-30 days
- Payment Terms: L/C, T/T
- Supply Ability: 50 Unit/Units per month

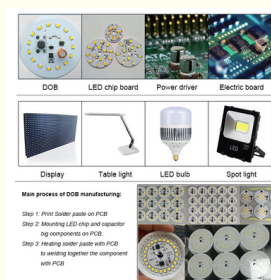

#### Product Specification

- Model: HT-E8S-1200
- Dimension: 2550\*1650\*1550mm
- PCB Size: Max:1200\*500mm Min 100\*100mm
- PCB Thickness: 0.5-5mm
- Application: SMT PCB Assembly Production Line
- Applicable Components: LED Chip, capacitors, resistor, IC, shaped Component
- Mounting Mode: Group Picking And Separately Placing 、 separately Picking And Separately Placing
- Mounting Speed: 45000CPH
- No. of Feeders Station: Single Module 28 PCS
- No. of Head: Single Module 12 PCS

## Product Description

### Automatic spotlight led bulb machine industrial lamp RGB bridge rectifiers led bulb manufacturing machine

#### Product Description

**HT-E8S-1200** is a multifunctional pick and place machine of ETON company. It's intelligent, can produce different types of LED light and electric boards, such as tube, bulb, strip, panel, downlight, street light, power driver, etc.

Model	HT-E8S-1200
Dimension	1550*1650*1550mm
PCB size	Max:1200*500mm Min:100*100mm
PCB Thickness	0.5-5mm
Application	SMT PCB Assembly Production Line
Applicable Components	LED Chip,capacitors,resistor,IC,shaped component
Mounting mode	Group picking and separately placing ,separately picking and separately placing
Mounting speed	45000 CPH
No.of feeders station	Single module 28 PCS
No.of head	Single module 12 PCS

#### SMT line solution

Below are the suggestion of basic steps for the pick and place progress and equipment :

## Company Profile

Our company mainly make SMT machines, can provide you a whole smt production line equipment, such as semi-auto stencil printer, pick and place machine, reflow oven, conveyor, staking loader, translational conveyor, etc. We obtained 132 patents, factory area has 52000sqm, company employees more than 300.

**Shenzhen ETON Automatic Equipment Co.,Ltd.**

ETON was founded in 2011. It's a manufacturing and process solution provider focusing on full SMT production line.

ETON is the leading manufacturer of pick and place machine. Export over 20 countries and regions.  
ETON got 9 invention patents, 112 practical patents, 12 software copyrights.

## Service

### 一, Pre-sale

Provide equipment and SMT production lines that meet customers' needs according to customer needs;  
Provide relevant suggestions to customers;

### 二, On sale

Real-time follow-up of the production situation of the customer's machine and inform the customer of the production progress

### 三, After sale

1. Arrange engineers to come to the factory to install, debug and teach free of charge;
2. One-year maintenance period. During the maintenance period, any parts that need to be replaced or repaired are free of charge;
3. Every year there is an opportunity for free machine maintenance

4. Visit customers regularly to understand the usage of the machine and collect customer feedback.

## Packing & Shipping

According to the needs of customers, we can support different types of transportation. Generally speaking, there will be more sea transportation. Land transportation is suitable for countries with railways, and air transportation is suitable for customers who are in a hurry to ship.

Step1: Wrap with stretch film to prevent the equipment from

Step2: Vacuum paper packaging and moisture-proof bag, so that the machine can be kept dry during transportation to prevent moisture.

Step3: Use straps and triangular wood to fix the machine to prevent damage to the machine during transportation.

Step4: Each exported machine will be equipped with sturdy export wooden boxes, to ensure that the delivered product is good.

## FAQ

### Q: How is the warranty?

1. Every machine will be checked carefully before shipping out. Buyers should check the package once receiving.
2. The complete machine has a warranty period of 12 months from delivery and lifetime maintenance service.
3. We provide online Q/A and troubleshooting support and technical advice service. Provide one to one after-sale service.

### Q: What are your advantages?

A: Our company stick to five level management policy: sincere business, focus on R&D, manufacturing intentions, considerate service, customer trust

### Q: The products you are advertising are in stock?

A: The delivery date is about 20 days upon the full payment. Some times we have some in stock for ship, before shipping we'll do some machine test for clients.

### Q: How can I buy this machine from you?

- A. Consult us about this product on line or by e-mail.
- B. Negotiate and confirm the final price, shipping, payment methods and other terms.
- C. Send you the proforma invoice and confirm your order.
- D. Make the payment according to the method put on proforma invoice.
- E. We prepare for your order in terms of the proforma invoice after confirming your full payment. And 100% quality check before shipping.
- F. Send your order by air or by sea.
