

250000 CPH mounting speed 68 heads led pick and place machine

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE,CCC,SIRA
- Model Number: HT-F9
- Minimum Order Quantity: 1 sets
- Packaging Details: Vacuum wooden box packaging
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Size: 2700*2300*1550
- Weight: 1700kg
- Warranty: 1 Year
- Head: 68 Pcs
- Brand: ETON
- Mounting Speed: 200000~250000 CPH

Product Description

High efficiency Full-automatic 250000 CPH pick and place machine for Led tube/strip /panel lamp

Production features:

HT-F9: Dual arm magnetic linear LED high speed pick and place machine.

Mounting components: led3014/3020/3528/5050 and resistor, capacitor, bridge rectifiers.

Apply to the 0.6m, 0.9m, 1.2m rigid PCB and 0.5m, 1m Led flexible strip.

Dual arm four module, 17 nozzles for each part, total 68 head. Producing with 4 types materials at the same time with high capacity, available for board with any proportion of Led chip and resistor.

Mounting speed reached 200000 to 250000 CPH.

Advantages:

1. Brand guarantee.
2. Having decades experience in this field.
3. This machine's mounting speed has broken the world record, which reached 200000~250000 CPH.
4. Quality assurance.
5. Quick delivery.

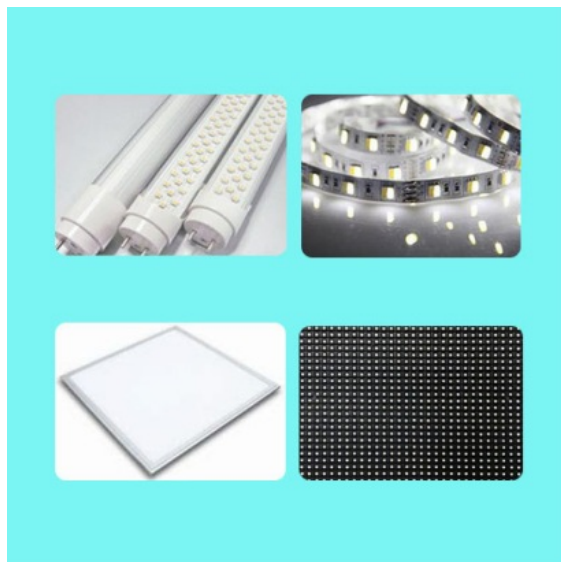

Machine parameter:

Model	HT-F9
Dimension(L*W*H)	2700*2300*1550mm
Weight	1700kg
PCB length width	Max: 1200*330mm; Min: 100*100mm
PCB thickness	0.5~5mm
Mounting precision	±0.02mm
Mounting mode	Group to take and group to mount
Mounting height	≤5mm
Mounting speed	200000~250000 CPH
Power consumption	6KW
No. Of feeders station	68 PCS
No. Of head	68 PCS

Application:

Apply to the 0.6m, 0.9m, 1.2m rigid PCB and 0.5m, 1m Led flexible strip.

F9 as the high speed mounter machine, widely apply to many kind of led linear module, such as the strip light, panel light, tube light, etc.

Company profile:

ShenZhen ETON Automation Equipment Co., Ltd. was founded in 2011. It is a manufacturing and process solution provider focusing on R&D, production, sales and service of SMT high speed pick and place machine and SMT peripheral automatic equipment. Concentrating on creating national brand and offering clients superior quality pick and place machine, good professional guidance, superior sales services system. Nowadays, we have been working with numerous domestic and foreign companies. We have achieved everyone's unanimous recognition.

Exhibition:

ETON committed to creating an international pick and place machine brand. We have participated in many exhibitions every year. Including domestic exhibitions and foreign exhibitions(except the epidemic period).Not only in China, India Delhi, Indian Mumbai, Pakistan Karachi, Turkey Istanbul etc.

Services:

After-sales Services:

- 1.Free Warranty: one year warranty factory services.
- 2.Free Installation: on-site free installtion to ensure smooth production..
3. We can configure the production line for you according to your product requirements.
- 4.Free software Upgrade.
- 5.Free Technical Traning.

FAQ:

(1)What's the terms of payment?

T/T is OK.30% Down payment in advance,70% payment before delivery.

(2)Can you support whole SMT line?

Yes, we can provide whole line solution if you want. We are very professional on SMT field.

(3) Which countries are your machines mainly sold to?

Our products exported to more than 20 countries and regions, including Turkey, Egypt, India, Pakistan, South Africa, Brazil etc.

(4) Does your company have other machine or products besides selling pick and place machine.

Yes, of course. For instance, Automatic stencil printer, Reflow oven, LED light production line equipment.
