

## 20 Head Smt Pick And Place Equipment 80000 CPH Full Automatic

### Our Product Introduction

for more products please visit us on [smtmountingmachine.com](http://smtmountingmachine.com)

#### Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE,CCC,SIRA
- Model Number: RT-2
- Minimum Order Quantity: 1 sets
- Packaging Details: Vacuum wooden box packaging
- Delivery Time: 30 days
- Payment Terms: T/T,
- Supply Ability: 50 sets per month

#### Product Specification

- Size: 1200\*19300\*1500mm
- Weight: 2500kg
- Mounting Speed: 80000 CPH
- Head: 20 Pcs
- Warranty: 1 Year
- PCB Leight Width: Max:450\*300mm;min:80\*80mm
- Highlight: 80000 CPH Smt Pick And Place Equipment,  
ODM Smt Pick And Place Equipment,  
80000 CPH smt placement machine

## Product Description

### 20 Head Smt Pick And Place Equipment 80000 CPH Full Automatic

#### Led tube assembly led lamp automatic smt line machine pick and place machine

##### Products features:

1. RT-2:Double module magnetic linear motor multifunctional pick and place machine.
2. Mounting components:Led chip,capacitors,resistors,IC,shaped components,etc.
3. This machine belongs to double module.It has 20 head. Apply to led bulb, power driver,street light and so on.
4. This machine mounting speed is 80000CPH.
5. It has 4 sets of camera, high mounting accuracy. Mounting method:group picking and separately place, separately picking and separately place.
- 6.It can producing with two types materials at the same time.

##### Advantages:

1. Brand guarantee.
2. Having decades experience in this field.
3. Quality assurance.
4. Quick delivery.

##### Mechine parameter:

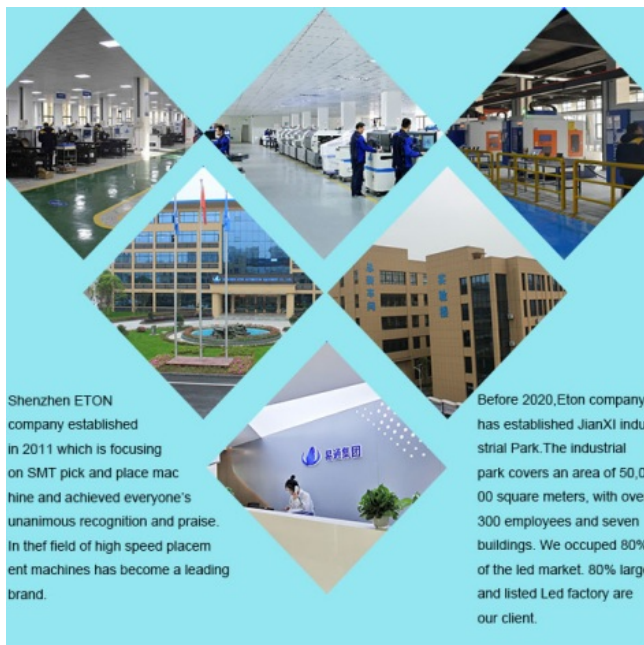

Model	RT-2
Dimension(L*W*H)	1200*1930*1500mm
Weight	2500kg
PCB length width	Max:450*300mm;Min:80*80mm
PCB thickness	0.1~6mm
Mounting mode	Group picking and separately placing, separately picking and separately placing
Mounting height	≤15mm
Mounting speed	80000cph
Power consumption	6KW
No. Of feeders station	64 PCS
No. Of head	20 PCS

##### Application:

##### Company profile:

ShenZhen ETON Automation Equipment Co.,Ltd.was founded in 2011. It is a manufacturing and process solution provider focusing on R&D, production,sales and service of SMT high speed pick and place machine and SMT peripheral automatic equipment.Concentrating on creating national brand and offering clients superior quality pick and place machine, good professional guidance, superior sales services system. Nowadays,we have been working with numerous domestic and foreign companies. We has achieve everyone's unanimous recognition.

Shenzhen ETON company established in 2011 which is focusing on SMT pick and place machine and achieved everyone's unanimous recognition and praise. In the field of high speed placement machines has become a leading brand.

Before 2020, Eton company has established JianXi Industrial Park. The industrial park covers an area of 50,000 square meters, with over 300 employees and seven buildings. We occupied 80% of the led market. 80% large and listed Led factory are our client.
