

Double Module Led Chip Mounter 24 Heads 90000CPH Multifunctional

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE,CCC,SIRA
- Model Number: HT-E8D-600
- Minimum Order Quantity: 1 sets
- Packaging Details: Vacuum wooden box packaging
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Size: 1950*2250*1650mm
- Weight: 2200kg
- PCB Leight Width: Max: 600*300mm ; Min: 100*100mm
- Head: 24 Pcs
- Mounting Speed: 90000 CPH
- Warranty: 1 Year
- Highlight: **Double Module Led Chip Mounter,
24 Heads Led Chip Mounter,
90000CPH Multifunctional Smt Chip Mounter**

Product Description

Double module led chip 24 heads 90000 CPH Multifunctional pick and place machine

1.product introduction:

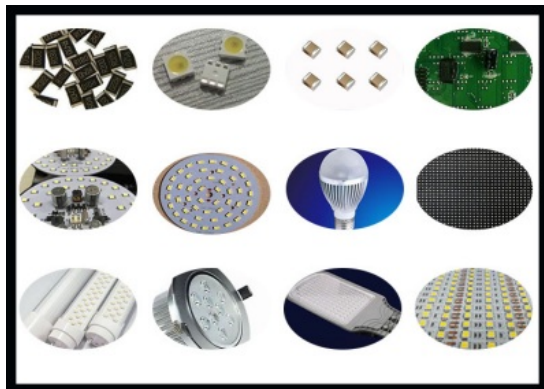

- (1) HT-E8D-600:Double-module magnetic motor multifunctional pick and place machine.
- (2) Dual system, dual module multifunctional mounter to produce two different products at the same time.
- (3) Mounting components: LED chip,capacitors,resistors,IC,shaped components,etc.
- (4) Component: min.size 0402 max.height 15mm
- (5) Application: Power driver. Electric board. Lens. DOB bulb linear bulb. Household appliance etc.
- (6) Mounting speed reached 90000 CPH.

2.Machine technical parameter:

Model	HT-E8D-600
Dimension(L*W*H)	1950*2250*1650mm
Weight	2200kg
PCB length width	Max:600*300mm;Min:100*100mm
PCB thickness	0.5~5mm
Mounting precision	±0.04mm
Mounting mode	Group picking and separately placing, separately picking and separately placing
Mounting height	<15mm
Mounting speed	90000 CPH
Power consumption	6KW
No. Of feeders station	48 PCS
No. Of head	24PCS

3.Application:

Power driver. Electric board. Lens. DOB bulb linear bulb. Household appliance etc.

4.Company profile:

Shenzhen ETON Automation Equipment Co.,Ltd. was founded in 2011. It is a manufacturing and process solution provider focusing on R&D, production, sales and service of SMT high speed pick and place machine and SMT peripheral automatic equipment. Concentrating on creating national brand and offering clients superior quality pick and place machine, good professional guidance, superior sales services system. In Jiangxi province, we have a public park covering an area of 50,000 square meters, seven buildings, and more than 300 employees. Nowadays, we have been working with numerous domestic and foreign companies. We has achieve everyone's unanimous recognition.

5.Certificate of honor:

our enterprise has obtained 9 invention,112 practical patents,122 software copyrights, with CCC, SIRA, CE. and rated as "Shenzhen high-tech enterprise" "China high-tech enterprise" "Shenzhen top brand" "2015 LED Technology innovation Award" "The 4th China LED First Innovation Award" "Industry Special Contribution Award" etc.

6.Exhibition:

We have participated in many exhibitions every year(except the epidemic period).

For example:

Foreign exhibitions: India Delhi, Indian Mumbai, Pakistan Karachi,Turkey Istanbul etc.

Domestic exhibitions: Guangya Guangya Exhibition, Shanghai Munich Exhibition, Chongqing LED Exhibition etc.

7.Packing and service:

All machines are packed with vacuum and wooden packing like the one in the pictures.

Step 1. Film packaging

Prevent the machine from dust ,water,crash and shaking.

Step 2. Add foam+film packaging

Double safe protection,Prevent the machine from crash and shaking.

Step 3. Unique tin foil packaging

Add tin foil packing can prevent the film from scratch broken.

Step 4. customized Strong wood carton packing

The customized strong wood packing for ocean ship,The machines are fix oi in the wood carton, effectively prevent collision and shock.

1.Free Warranty: one year warranty factory services.

2.Free installation:on-site free installation to ensure smooth production.

3. We can configure the production line for you according to your product requirements.

4. Free Software Upgrade.

5. Free t Technical Training.

8.FAQ:

(1).Why choose our pick and place machine?

One. Decades development history.

Two .80% large and listed Led factory are our client.

Three. Top 1 in high speed pick and place machine in China.

Four. Optimum After-sales service system

(2). How about the packaging?

Step 1. film packaging. Step 2. vacuum packing. Step 3. wooden box packing

(3).Do you provide overseas after-sales services?

Yes.We can provide technical support abroad with you. We have offices overseas and have local engineers to help you solve the problems with the pick and place machine offline.

(4).What are the shipping methods, and how long?

Within 30 days.

(5).Is it hard to use these machines?

No,not at all. 3 days is enough to learn to operate the machines.
