

6KW LED Chip Mounter 250000CPH SIRA Engineer Visit For Install Training

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: HT-F9

Product Specification

- Machine Name: SMT Machine / Pick And Place Machine/ Mounter
- Machine Brand: ETON
- Machine Model: HT-F9
- Machine Warranty: One Year
- Training: Free
- Install: Free
- Highlight: **6KW LED Chip Mounter,
LED Chip Mounter 250000CPH,
SIRA Smt Mounter Machine**

Product Description

Free install and training LED chip mounter

The types of LED Chip

For different Voltage lighting, the led chip type and quantity is different. The normal Led chip type are: 3014/3528/5050, Also for other led chip, they are using same led chip mounter smt machine.

The function of led chip mounter machine

The function of led chip mounter machine is mounting the components(led chip/resistor/capacitor/ic/shaped components/etc) on the PCB. The led chip mounter machine is the main equipment in the SMT line, and also it influence whole SMT line capacity.

The features of ETON LED chip mounter

1. ETON is long history and good experience at led chip mounter machine, especially the high speed mounter and super high speed mounter. We got more than 80% big led factory market in China. Many big Chinese brand are our clients, such as the Yankon, MLS, Foshan Lighting, NVC, etc.
2. ETON Machine is cheaper compared with same capacity. We have different speed module, like the 40000 cph, 80000 cph, 170000 cph, 250000 cph. With more choose if you cooperation with us.
3. ETON machine is multifunctional and intelligent. Suitable for all kinds of led chip and electrical components, such as the IC, Resistor, Capacitor, Terminal, Shaped components, etc
4. ETON machine could be customized according to your product design with strong R&D power.

The main parameter of the super high speed mounter machine

Machine name	SMT Mounter machine
Machine module	HT-F9
Machine speed	200000-250000CPH
No. of nozzles	68 PCS
No. of feeder station	68 PCS
No. of camera	5 PCS
Mounting mode	Group to take and group to mount
Power consumption	6KW

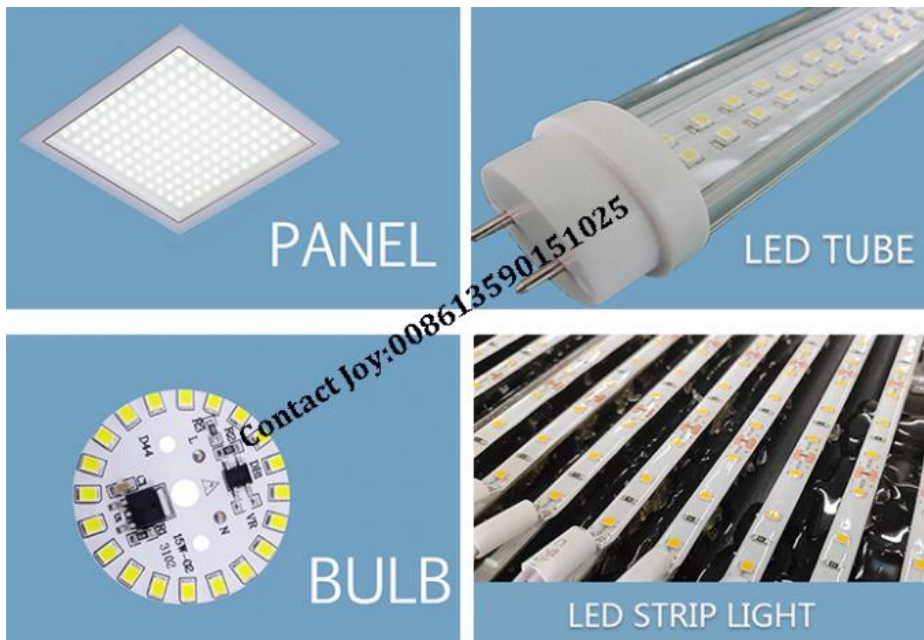

Different sides of machine HT-F9

Contact Joy:008613590151025

Group to take and group to mount, more faster

After sales service

We promise one year warranty of machine, during warranty, any parts need to be repaired and replaced will be free. Also we will sent engineer to your factory for free machine install and training.

RFQ

1. Do you supply Conveyor and stencil printer machine ?

A: Yes, we provide whole smt line solution with client, like the conveyor, stencil printer machine, reflow oven machine, loader, unloader, etc

2. How about your software ?

A: Machine software is R&D by ourselves, it is supported whole machine life free upgrade

3. How could I contact you for more machine video and picture?

A: Pls send me the msg or contact me directly, as fellow show:
