

Single module Led bulb 10 head automatic pick and place machine

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE,CCC,SIRA
- Model Number: RT-1
- Minimum Order Quantity: 1 sets
- Packaging Details: Vacuum wooden box packaging
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Dimension: 1200*1930*1500mm
- Weight: 2000kg
- PCB Length Width: Max:450*350mm; Min:80*80mm
- Mounting Speed: 40000 CPH
- Head: 10 Pcs
- Warranty: 1 Year

Product Description

Single module Led bulb 10 head automatic pick and place machine

1. Production features:

- (1). RT-1: Single module magnetic linear motor multifunctional pick and place machine.
- (2). Mounting components: Led chip, capacitors, resistors, IC, shaped components, etc.
- (3). This machine belongs to single module. It has 10 heads. Apply to led bulb, power driver, street light and so on.
- (4). This machine mounting speed is 40000CPH.
- (5). It has 2 sets of camera, high mounting accuracy. Mounting method: group picking and separately place, separately picking and separately place.

2. Production parameter:

Model	RT-1
Dimension(L*W*H)	1200*1930*1500mm
PCB length width	Max:450*350mm;Min:80*80mm
PCB thickness	0.1~6mm
Mounting mode	Group picking and separately placing, separately picking and separately placing
No. Of camera	2 Sets of imported camera.vision for the flight identification,mark correction
Mounting height	≤15mm
Mounting speed	40000cph
Power consumption	4KW
No. Of feeders station	32 PCS single module
No. Of head	10 PCS Single module

3. Application:

This machine has 10 nozzles, Mounting speed reached 40000 CPH apply to led bulb, power driver, street light, circuit board etc.

4. Company profile:

Shenzhen ETON Automation Equipment CO., LTD. is one of very few high-tech manufacturers committed to provide "professional, high efficiency, low consumption" automatic high-speed SMT pick and place machine for customers, combining product development, production, sales and service as one. At present, as for the series "HT" high-speed and multi-functional machine, speed is the world's fastest. "Speed" and "Stability" are the core competencies of ETON, technology innovation and strict quality management principles coupled with excellent service, to enable us provide better professional full SMT solution continuously and create superior value for our customers.

5.Exhibition:

ETON is a very strong and powerful company.ETON committed to creating an international pick and place machine brand. We have participated in many exhibitions every year.

Foreign exhibitions(except the epidemic period):India Delhi, Indian Mumbai, Pakistan Karachi, Turkey Istanbul etc.

Domestic exhibition: Guangzhou Guangya Exhibition, Shanghai Munich Exhibition, Chongqing LED Light Exhibition etc.

6.Packing:

All machines are packed with vacuum and wooden packing like the one in the pictures.

Step 1. Film packaging

Prevent the machine from dust ,water,crash and shaking.

Step 2. Add foam+film packaging

Double safe protection,Prevent the machine from crash and shaking.

Step 3. Unique tin foil packaging

Add tin foil packing can prevent the film from scratch broken.

Step 4. customized Strong wood carton packing

The customized strong wood packing for ocean ship,The machines are fix oi in the wood carton, effectively prevent collision and shock.

7.Our advantages and services:

Advantages:

(1)decades experience in this field.

(2)we occupied 80% led pick and place market.

(3)we can provide smt lin solution with you.

(4)quality assurance.

Services:

(1)Free Warranty: one year warranty factory services.

(2)Free installation:on-site free installation to ensure smooth production.

(3) We can configure the production line for you according to your product requirements.

(4) Free Software Upgrade.

(5) Free t Technical Training.

8.FAQ:

(1)What's the terms of payment?

T/T is OK.30% Down payment in advance,70% payment before delivery

(2)Do you provide overseas after-sales services?

Yes.We can provide technical support abroad with you. We have offices overseas and have local engineers to help you solve the problems with the pick and place machine offline.

(3)What are the shipping methods, and how long?

Within 30 days.

(4)Is this machine difficult to operate?

No, not at all. 3 days is enough to learn to operate t
