

CCC high precision pneumatic LED tube making machine multifunctional smt mahcine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC, CE, SIRA
- Model Number: RT-1
- Minimum Order Quantity: 1 set
- Packaging Details: vacuum package, wooden case
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets/month

Product Specification

- Model: RT-1
- Dimension: 1200*1930*1500mm
- PCB Length Width: Max 450*350mm Min 80*80mm
- PCB Thickness: 0.1-6mm
- No.of Camera: 2sets
- Feeder: 32PCS
- Head: 10PCS
- Warranty: 1 Year

Product Description

CCC high precision pneumatic LED tube making machine multifunctional smt machine

Product Description

pick and place machine--RT-1

Magnetic linear motor multifunctional pick and place machine. Vision system, with high precision identification and accurate mounting. Independent research and development software, remote control, free upgrade. Input device: keyboard, mouse, easy to learn and operate, with the guidance of professional engineers.

Feature

Electronic feeder feeding system
Vision alignment flight identification, Mark correction
mounting components LED chip, resistor, capacitor, IC, drive, etc
multifunctional smt mounter machine

Machine parameter

Dimension	1200*1930*1500mm
PCB clamping	pneumatic
Power	AC 380V
Power consumption	4KW
Transmission mode	online drive
Feeding way	electric feeder with double motor

Appliance

RT-1

PCB Width :

max 450*350mm min 80*80mm

No.of feeders station:32 pcs

No.of nozzles:10 pcs

Mounting speed:40000 cph

Components:

LED chip, capacitor, resistor, IC, shaped components, etc

Suitable for mounting components LED chip, capacitor, resistor, IC, shaped components,etc.

Company profile

Our company was founded in 2011, it is a manufacturing and process solution provide focusing on R&D, production, sales and service of SMT high-speed pick and place machines and SMT peripheral automation equipment.

Our industrial park in Jiangxi, covers an area of 53 square meters, more than 300 employees. Enterprise patent: 9 invention patents, 12 software copyrights, 112 practical patents. And our products are exported to more than 20 countries and regions, such as South Korea, India, Vietnam, Tunisia, Egypt, Turkey, Russia, Brazil, Iran, etc.

Package

Packaging process has professional personnel for packaging, loading. Record and track the whole packaging process.

After sales Service

1. Maintenance period:1year
2. Free installation and training
3. Provide latest information about technology and equipment

FAQ

Q: Is the software for these machine in English?

A: Yes. Our software is independently developed, there are two version in English and Chinese.

Q: if there is a problem with the machine,can it be repaired?

A:Of course, the machine failure rate is 0.001 , and in addition to the warranty period, we also provide you with free maintenance 1-2 times a year.

Q: Why do you choose our product?

our product quality is guaranteed, and we have overseas local engineers, can arrange door to door installation.

Software lifetime free upgrade

Free installation and training

Provide 1-2 times a year free for machine repair, after the warranty period.

Q: What products you sell?

A: Our company deal in the following products:

SMT equipment and accessories: pick and place machine, stencil printer machine, glue dispenser, conveyor, feeders, SMT nozzles,etc.

Q:Do you have offices and local engineers in overseas?

Yes, we have established offices and local engineers in Egypt, Turkey and India,etc
