

single module 40000PCH multifunctional pick and place machien

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC, CE, SIRA
- Model Number: RT-1
- Minimum Order Quantity: 1 set
- Packaging Details: vacuum package, wooden case
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets/month

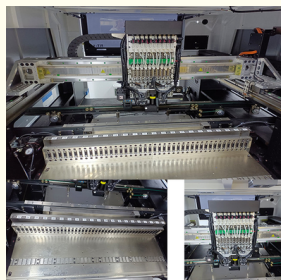

Product Specification

- Name: SMT Pick And Place Machine
- Application: SMT Pick And Place Machine
- Power Supply: 380AC 50HZ
- Type: Automatic
- Pcb Thickness: 0.1~6mm
- Speed: 40000PCH
- Feeder: 32PCS
- Warranty: 1 Year

Product Description

single module 40000PCH multifunctional pick and place machine

Machine features

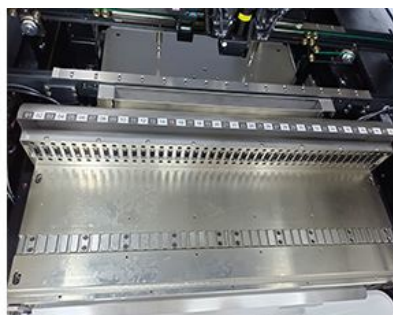

- Single module magnetic linear multifunctional pick and place machine
- PCB length width: max 450*350mm min 80*80mm
- 2 sets of camera, with high precision recognition.

Machine main part

Head

Feeder station

Transport guide

Frame housing:It supports all the rotary protection machines, all kinds of mechanical and electrical hardware

transmission mechanism:The PCB is delivered to the desired location and transferred to the next machine after the patch is completed

servo positioning system:Support the clip to ensure accurate positioning of the clip

identification system:Identify locations that identify PCB, feeder and component mount properties

various sensors:They are like the eyes of the hall, constantly monitoring the normal operation of the machine

Application

Suitable for Mounting components: LED chip, resistor, capacitor, IC, shaped components,etc.

Company profile

ShenZhen ETON is a manufacturing and process solution provider focusing on R&D, production, sale and service of SMT high-speed pick and place machines and SMT peripheral automation equipment.

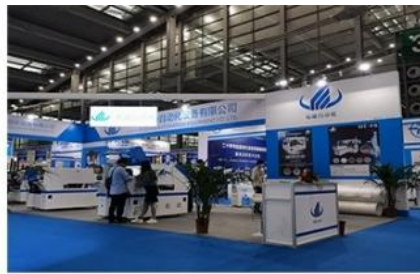

It has successfully developed a variety of cost-effective SMT high-speed universal placement machines, which are widely used in lighting, LED display, electronics field, power drive, home appliances, new energy and other industries.

Advantages

1. We have ten years experience in this filed.
2. We have local India engineer, can arrange engineers to install,debug and training to you for free.
3. We have office in Mumbai ,New Delhi,Egypt,Turkey,etc.
4. We can provide 1-2 times a year free for machine repair, after the warranty period. And software lifetime free upgrade.

Exhibition

We often participate in exhibition in Delhi, Mumbai, Turkey, Thailand, Pakistan and so on

FAQ

Q: can I pay by L/C?

A: We usually support EXW terms of payment, because L/C is complicated, which will not only prolong the time you receive the product, but also affect the production time of your product.

Q: What service can we provide?

- A: 1. Free install, debug and train
- 2. Software free upgrade
- 3. Maintenance period: 1 year

Q: Do you sell nozzles and spares?

A: Yes, we do sell nozzles and feeders, if you need any spares, just let us know.
