Circuit board printer SMT pick and place machine manufacturers Automatic printing machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: HT-E8D-1200
- Minimum Order Quantity: 1 Set
- Packaging Details: wooden box with vacuum package
- Payment Terms: T/T
- Supply Ability: 50 sets per month

One machine for multiple purposes

Product Description

HT-E8D-1200

E8D is a dual-mode multi-function machine. Each module has a set of programs to control independently.

When the speed reaches 90000cph, the head does not move during mounting, and the PCB transmits motion on the track

E8D is a high-speed multifunctional Mounter with improved speed. With the increase of modules, the production capacity is twice that of E8S. The optimal capacity is 90000CPH

Machine details

Patch head

Suction nozzle rod

sensor

Screw rod

E8D can produce the same products as e8s. The only difference is that it can install two different products at the same time. The dual track access plate has higher utilization efficiency and wider use scenarios. Mount LED lamp belt, lamp tube, street lamp, lens, driver and circuit board.

One machine for multiple purposes

Precision manufacturing+quality assurance

LED bulb

LED tube

Down light

LED lens

Circuit board

Street light

ETON has 11 years of experience in the mounter industry, it is a manufacturing and process solution provider focusing on R&D, sales and service of SMT high-speed pick and place machine and SMT peripheral automation equipment.

Company style

In order to let customers in more countries see our machines. So many industry exhibitions have our presence. Next time, can you also visit our machines?

In many exhibitions, we have been affirmed and favored by customers, such as Thailand Exhibition, Turkey exhibition, India Mumbai and Delhi exhibition, Pakistan exhibition and so on

Certification of honor, Quality management certificate, patent certificate are available in all varieties.

After sale service

Service office in India

Installation service, one-year warranty

Carefully Packaging System

Three step packaging, waterproof, moisture-proof, anti-collision and safe arrival

Step one

Step two

Step three

Step four

FAQ

Can we customize the machine?

We support the height of custom mounted components

Does your machines have quality certificate?

That's it ,and we have our own industrial park. There are production centre and R&D centre and quality inspection centre to guarantee the machine quality.

Is it hard to use these machines?

Machine is very intelligent and easy to operate, like the intelligent phone, also the software is made by our company, so we know how to make it more intelligent and operate friendly.
