

HT-E8S LED Tube Pick And Place Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

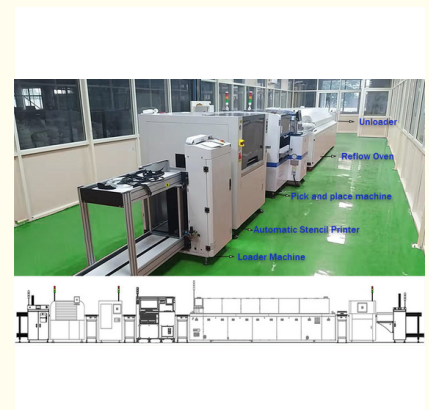

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: HT-E8S-1200
- Minimum Order Quantity: 1 Unit/Units
- Price: USD 28000-46200 Unit/Units
- Packaging Details: Vacuum packing in wooden case
- Delivery Time: 15-30days
- Payment Terms: L/C, T/T
- Supply Ability: 50 Unit/UNits per month

Product Specification

- Dimension: 2550*1650*1550mm
- PCB Size: Max:1200*500mm Min:100*100mm
- PCB Thickness: 0.5-5mm
- Application: SMT PCB Assembly Production Line
- Applicable Components: LED Chip, capacitors, resistor, IC, shaped Component
- Mounting Mode: Group Picking And Separately Placing 、 separately Picking And Separately Placing
- Mounting Speed: 45000 CPH
- No. of Feeders Station: Single Module 28 PCS
- No. of Head: Single Module 12 PCS
- Power Consumption: 4KW

Product Description

HT-E8S LED Tube Pick And Place Machine

Product description

HT-E8S SMT pick and place machine is for **led, Lens, capacitors, resistors, IC, Shaped components, etc**. Apply to Led lamp manufacturer, PCB production line etc .

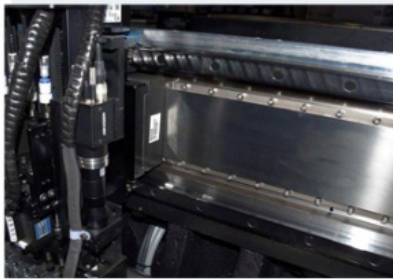

HT-E8S is a single module single system multi-functional SMT pick and place machine. **Vision for the flight identification, mark correction. And it's identified the correct position by camera.** So it's high precision and good stability.

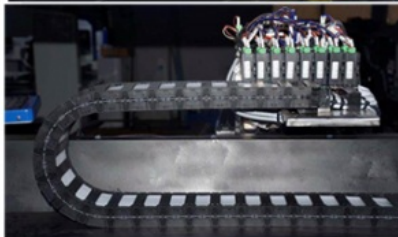

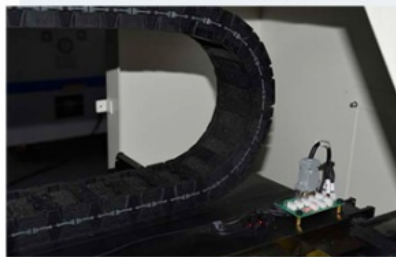

Technical parameter

HT-E8S PICK AND PLACE MACHINE PARAMTER	
PCB Length Width	Max:1200*500mm Min:100*100mm
PCB Thickness	0.5-5mm
PCB Clamping	Adjustable pressure pneumatic
Mounting Mode	Group Picking and separate placing/Separate picking and separate placing
No. of camera	2 Sets of imported camera Vision alignment, MARK correction
Mounting precision	±0.02mm
Mounting Height	<15mm
Mounting Speed	45000CPH
Power Consumption	4KW
Conveyor	
Transmission	Max Length:1200mm
Transmission Speed	>1000mm/sec
Electrical control	Independent research and development by ETON
X.Y.Z Axis Driving	High-end magnetic linear motor + servo motor

Features

▲ X,Y,Z DRIVE WAY
Magnetic linear motor
Servo motor

▲ Dragon Chain

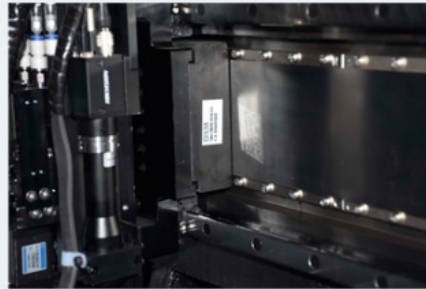

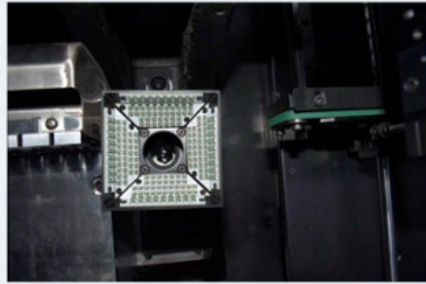

PCB size:1200*350mm ○
Speed:45000CPH

Mounting components: ○
led, capacitor, resistor, IC,
shaped components, etc.

Cameras ▼

2 sets of imported cameras
Vision for the flight identification
Mark correction

Electric Installation ▼

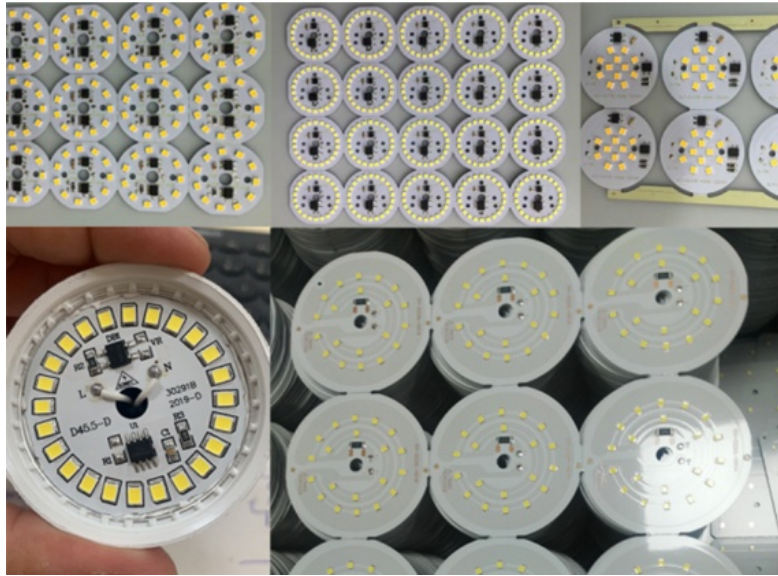

- SMT Electrical components
- Import from Japan
- Ensure high accuracy and high stability

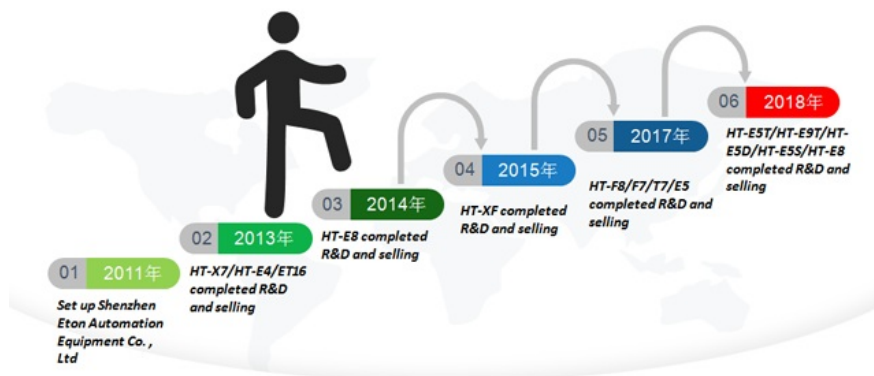

○ X,Y,Z Axis Drive way:
Magnetic linear motor
Servo motor

○ Software: R&D independently
Free updates for life

SMT Line

Company information

Shenzhen Eton Automation Equipment Co., Ltd established in 2009. Which is national high-tech enterprise. We concentrate on building national brand and provides customers with professional, efficient, low consumption and specializes in R&D, production, sales and service of SMT automatic high-speed placement machine.

Eton owns nearly 200 employees, 80 of them are production work man for the pick-and-place machine, and other 40 engineers are responsible for developing the domestic pick-and-place machine.

Our services

Before buying machine

- 1) Professional sales manager of LED SMT machine, provide professional suggestion and service to you !
- 2) 24 hours online service and technical support, solve your questions quickly!
- 3) Sound company organization and working system, guarantee you a fast delivery!
- 4) Design and provide the whole SMT processing lines for you based on your budget , workshop covering area with best prices!

COMPANY ADVANTAGE >>

10
YEARS

1.OEM&ODM

Supported with an excellent RD team ETON has strong ability to OEM and ODM for customers ,custom unique design for you with the best cost.

2.High quality

We have strictly quality control during all production from raw materials to the finished machine.

4.Efficient team

We provide the most systematic solution for you. The best suggestions of full SMT line equipment according to your budget and site.

3.Competitive price

We are directly manufacture of the ETON pick and place machine, so we can give you the best competitive price with high quality materials .

Before order

We will support professional suggestion of SMT line
We will recommend the best module according to the products
We will supply best quotation with factory price

After order

Machine will have good test and aging before shipping
We support machine free installation and training,
Special time we support online training, and video teaching.

ETON is Top brand of SMT machine in China

Market share in China: 80% of large listed factories are our customers
Our products are exported to more than 20 countries & regions
