

Single Module LED Pick And Place Machine Vision Alignment Flight Identification

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC, CE, SIRA
- Model Number: HT-E8S-1200
- Minimum Order Quantity: 1 set
- Packaging Details: vacuum package, wooden case
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets/month

Product Specification

- Name: SMT Pick And Place Machine
- Dimension: 2550*1650*1550mm
- Weight: 1700kg
- Pcb Thickness: 0.5-5 Mm
- Power Supply: 380AC 50HZ
- Head: 12pcs
- Mounting Speed: 45000cph
- Warranty: 12 Months
- Highlight: Single Module LED Pick And Place Machine, 50HZ LED Pick And Place Machine, Vision Alignment SMT Pick And Place Machine

Single module vision alignment flight identification LED pick and place machine

Pick and place machine, also known as "Mounter" and "surface mount system", is a kind of equipment configured after dispensing machine or screen printing machine. It is a kind of equipment that accurately places surface mount components on PCB pad by moving the mounting head. It is used to realize high-speed and high-precision placement of components. It is the most critical and complex equipment in the whole SMT and production.

| | |
|--------------------|-----------------------------------|
| Model | HT-E8S-1200 |
| Dimension | 2550*1650*1550mm |
| PCB length width | Max 1200*500mm |
| Power | 380AC 50HZ |
| Power consumption | 4KW |
| Feeding way | Electric feeder with double motor |
| Mounting precision | 0.04mm |
| Feeders | 28pcs |
| Head | 12pcs |

Mounting components: LED chip, resistor, capacitor, IC, lens, shaped components, etc.
 Component: min.size 0402 max.height 15mm
 Application: power drive, electric board, lens, DOB, linear bulb, household appliance, etc.

Shenzhen Eton Automation Equipment Co.,Ltd is a manufacturing of SMT high-speed pick and place machine and SMT peripheral automation equipment. The products are exported to more than 20 countries and regions, including South Korea, India, Vietnam, Egypt, Turkey, Russia , Brazil etc.

Company Introduction

| | |
|-------------------------|---|
| Buisness Type | manufacturer |
| Main Products | pick and place machine, reflow oven, conveyor |
| Cuntry/Region | Shenzhen/Jiangxi, China |
| Patents | 9 invention patents, 112 practical patents, 12 software patents |
| Main Markert | India, Egypt, turkey, Vietnamese, Iran, Pakistan, etc. |
| Enterprise scale | 520000m ² |
| Total Employee | 300-350 people |
| Founded in | 2011 |

Package

Our machine are packed in vacuum wooden cases, and the salesman tracks the delivery process and records the whole loading process to ensure no error in loading. Let customers buy satisfactory machines.

1. Our machine are packed in vacuum wooden cases, in order to prevent chemical reaction with some components during transportation, so as to better protect the machine itself.
2. The salesman tracks the delivery process and records the whole loading process to ensure no error in loading.
3. After loading, when the goods arrive at the port, we will cooperate with the forwarder to do customs clearance procedures.

Service

We can provide complete solutions and equipment, and the machines are independent research and development by ETON.

Our service

- ➡ Free Professional advice: For the production of SMT machine, production line, factory.
- ➡ Free upgrade software: The machine software is developed by our company, so we provide life-long time upgrade software for customer.
- ➡ Free installation and training: we have offices and local engineers in overseas.

FAQ

Q: What products you sell?

A: Our company deal in the following products:

SMT equipment and accessories: pick and place machine, stencil printer machine, glue dispenser, conveyor, feeders, SMT nozzles, etc.

Q: Do you sell nozzles and spares?

A: Yes, we do sell nozzles and feeders, if you need any spares, just let us know.

Q: What service can we provide?

A: 1. Free install, debug and train

2. Software free upgrade

3. Maintenance period: 1 year

Q: Do you have offices and local engineers in overseas?

Yes, we have established offices and local engineers in Egypt, Turkey and India, etc.

Q: Why do you choose our product?

Our product quality is guaranteed, and we have overseas local engineers, can arrange door to door installation.

Software lifetime free upgrade

Free installation and training

Provide 1-2 times a year free for machine repair, after the warranty period.
