

SMT Automatic Glue Dispenser Machine Adjustable Pressure Pneumatic 1200x500mm

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC, CE, SIRA
- Model Number: HT-D12-1200
- Minimum Order Quantity: 1 set
- Packaging Details: vacuum package, wooden case
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets/month

Product Specification

- Length: 1800mm
- Width: 1050mm
- Height: 1550mm
- Total Weight: 800kg
- Max PCB Size: 1200*500mm
- Transmission Way: Online Drive
- Heating Temperature: 200
- Speed: 90000CPH
- Highlight: SMT Automatic glue dispenser machine, online drive Glue Dispenser Machine

Product Description

Adjustable pressure pneumatic SMT Automatic glue dispenser machine with speed 90000 CPH

Machine feature

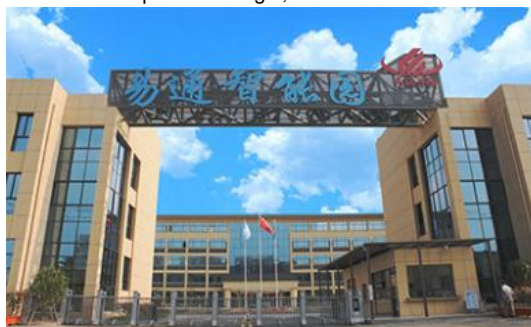

Full time monitoring of glue volume, autoprompting low glue volume
 Dispensing head constant temperature function, ensure the glue in liquid
 Control the dispensing value in milliseconds, ensure the conformity of glue volume
 Online visual programming, more convenient
 Automatic program standby, start up production rapidly, intelligent manufacturing
 Apply to various kinds (round, linear, lattice etc) of products
 High performance linear motor drive for X,Y axis, ensure high accuracy in high speed
 Universal signal connecting, connect equipment online easily
 Large capacity SSD industrial control system, high speed access ensures system response speed

Machine parameter

Model	HT-D12-1200
Dimension	1800*1050*1550mm
Total weight	800kg
PCB	
Max PCB size	1200*500mm
PCB clamping	Adjustable pressure pneumatic
Dispensing mode	Pneumatic injection valve
O.S.	
System	Windows 7
Software	R&D independently
Display	LED monitor
Input device	Keyboard, mouse
Vision system	
Operating environment	23 ±3
Max running speed	1200mm/sec
Transmission direction	single
Transmission way	Online drive
Gas consumption	0.4-0.6mpa 150N/min
Electrical control	Independent research and development by ETON
1 set motion control card	Independent research and development by ETON

Company show

The company was founded in 2011, it is a manufacturing and process solution provider focusing on R&D, production, sales and service of SMT high-speed pick and place machines and SMT peripheral automation equipment.
 Our industrial park in Jiangxi, covers an area of 52000 square meters, more than 300 employees.

The park covers an area of 52000 square meter.

Shenzhen office

Package

Our products are packed in vacuum wooden cases.
 Every process of packaging is carefully completed by our professional packaging staff to ensure that customers can receive complete products.

Service

Service

Free intall debug and training

Free software upgrade

Free professional advice

Maintenance period: 1 year

FAQ

Q: Why choose us?

- a: Best price & Best shipping & Best service
- b: More than ten years of experience in research and development production and sales.
- c: we have established overseas offices and local engineers in Egypt, Turkey, India, etc.
- d: Patents: 9 invention patents, 12 software copyrights, 112 practical patents.
- e: Free installation and training, software lifetime free upgrade, etc.

Q: Do you have offices and local engineers in overseas?

Yes, we have established offices and local engineers in Egypt, Turkey and India, etc.

Q: How can we guarantee quality?

A: we have our own industrial park, a dedicated R&D and production department and we have more than ten years of experience in this field.

Q: How can we buy from us?

A: Pick and place machine, smt production line, stencil printer, reflow oven, load/unload machine, feeder, nozzle, etc.
