

10pcs Heads LED Bulb Making Machine SMT Pick And Place Machine For LED Production Line

Basic Information

Place of Origin: CHIANBrand Name: ETON

Certification: CCC, CE, SIRA, ISO

Model Number: RT-1 Minimum Order Quantity: 1 set

Packaging Details: Standard Wooden Case with Vacuum

Package

• Delivery Time: 5-8 work days

Payment Terms: T/T

• Supply Ability: 50 sets per month

Product Specification

Optimal Speed: 40000cphNo. Of Heads: 10pcsPcb Thickness: 0.1-6mm

Camera Feature: Vision Alignment, Mark Camera

Mounting Height: ≤15mmPower: AC 380V

• Highlight: 10pcs Heads Led Bulb Making Machine,

AC 380V Led Bulb Making Machine, 10pcs Heads smt pick and place machine

Product Description

Led bulb making smt pick and place machine in led production line

What do you know about the placement machine?

For the pick and place machine is mainly for picking the led components to place the printer circuit board, so that make the led light source board or power driver board.

Brief introduction about RT-1 pick and place machine:

So what is RT-1 pick and place machine?

RT-1 pick and place machine is mainly for making small led light, and the led light pcb board not exceed 450*350mm, such as led bulb, ceiling light, street light, flood light, down-light, solar light, bulb DOB, driver, etc.

How fast can it reach?

With 10 heads, Optimal speed can reach 40000CPH

Which components it can mount?

It can mount led chips, resistors, capacitors, inductance, sockets, bridge rectifiers, shaped components, etc

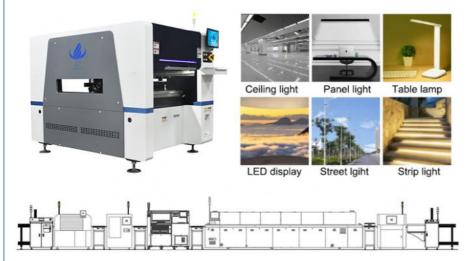

Mounter Details

Dimension	1200*1930*1500mm
Weight	2000kg
Max pcb size	450*350mm
Min pcb size	80*80mm
No.of heads	10 pcb
Optimal speed	40000cph
No.of camera	2 pcs
Mounting height	≤15mm

ETON SMT RT-1 Pick and place machine

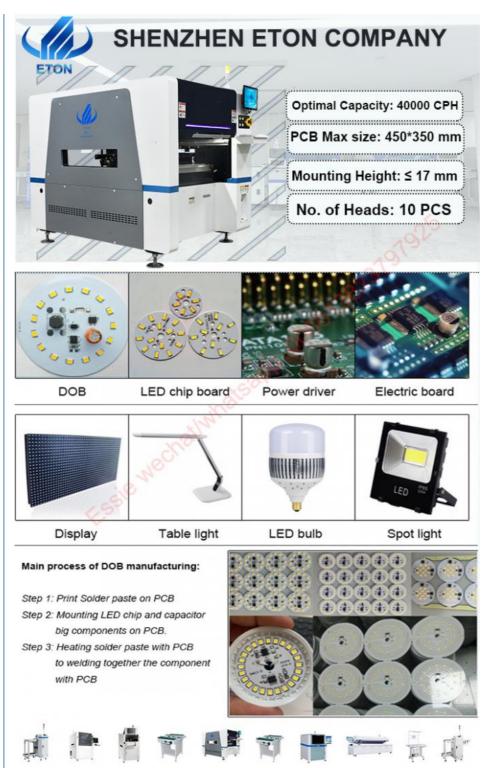

Why choose ETON RT-1 pick and place machine

	desktop mounter	ETON RT-1 mounter	Samsung SM481
Stability	≤500kg	2000kg	1650kg
Optimal speed	≤10000CPH	40000CPH	39000CPH
Service life	3~4 years	15-20 years	
After-services	Usually no service	Have overseas office and local engineer, free installation	Have overseas office and local engineer, Installation fee is required
Software upgrade	not available	Free for life	pay the fee

Why choose us:

- 1. 50000 industrial park, dedicated to research and development of production machines
- 2. 300+ employees, over 50+ R&D team members3. Won 132 patent certificates and many honorary certificates
- 4. Provide SMT production line solutions and equipment
- 5. There are showrooms, offices and local engineers overseas

After services

Maintenance period 1year

One year warranty, during warranty, any parts need to be repaired and replaced will be free.

Software and hardware lifetime maintenance

Free upgrade software, software is Reach and develop by ETON, so we support whole lifetime free upgrade updates.

Visit customers regularly and gather information

Visit clients regularly. We attend different exhibition in different cities every year, at the same time, we will visit local clients and support our service and collect and feedback customer suggestions in time.

Provide latest information about technology and equipment

We give professional technology suggestion with our clients. And share the updates news to our clients

FAG

Do you supply PCB conveyor machine?

A: Yes, we supply whole SMT line machine, like the conveyor, pick and place machine, reflow oven machine, etc.

Is this automatic stencil printer machine suitable for printing lighting driver board?

A: Yes, this automatic stencil printer machine is very high precision, suitable for max pcb size is 400*340mm, printing accuracy reach 0.025mm.

What is this machine warranty? And how about the after sales service?

A: We provide one year warranty, during warranty, any parts need to be repaired and replaced will be free. And we will support machine install and training online, also machine support remote control, machine will be very easy for operate.

Do you have oversea after sale service?

A: We can provide technical support abroad. If you have any technical problems, our engineers will provide you with timely support. Abroad, we
