

0201mm components High speed 40000 CPH pick and place machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: YT101S
- Minimum Order Quantity: 1 Set
- Packaging Details: wooden box with vacuum package
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Dimension: 2154*1376*1762
- Total Weight: 1700kg
- PCB Length Width: Max 500mm*350mm Min 50*50mm
- PCB Thickness: 0.5-4.5mm
- System: Windows 7
- Software: R&D Independently
- No.of Camera: 2pcs
- Mounting Speed: 40000CPH
- Components: 0201-10MM Packages And IC Etc.
- Electrical Control: Independent Research And Development By Eton.

Product Description

0201mm components High speed 40000 CPH pick and place machine - YT-101S

Production Introduction - YT-101S

1.Fixed Flight Vision Recognition Camera(Optional)

Components with size less than 40 * 40mm or height less than 20mm can be used to high-speed and high-precision identification, IC tray feeder support (Option).

2.Intelligent Electric Feeder

Support YT series double head intelligent electric tape reel feeder, by optically correcting the feeding position of the component, it can achieve stable, accurate and high-speed feeding.

3.High-speed Multi Modular Head

Adopt High-speed multi modular head, apply to ultra small chip 0201 < ~40*40mm large Chip, wider component range.

4.Vacuum Sensing Device

Each placement head with independent detection function, which improves the stability of the equipment and the reliability of the product.

5.Ultra-high-speed Capability

Adopt High-end magnetic linear motor, servo system and multi function modular head, the capacity increased by 25% compared with traditional machine, optimum placement speed reach 40000 CPH.

ETON HONOR SERIES YT-101S

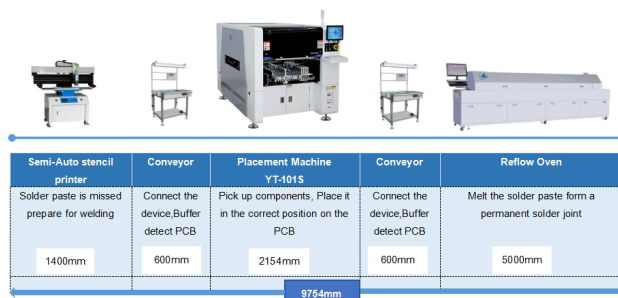

Application Introduction - YT-101S

Apply to 0201-40*40mm tape reel package. kinds of led lighting product!

SMT Line Solution Introduction

Share semi-automatic smt line to you!

Our company Introduction

Our Company is top Brand of SMT machine in China:

1. Big Market: In China, More than **80%** Market, Exported to more than **20** countries and regions in the world, such as Turkey, Egypt, India, etc.
2. Strong Manufacturing capacity: Over **50000** square meters industrial park, More than **500 employees**.
3. Professional R&D team and after sales service team,
4. Local engineer in India (Delhi, Mumbai and Daman), Turkey, Egypt, etc.
5. Professional Efficient Technology Development Innovation, We got **9** invention Patents, **112** practical patents, **12** software copyrights.

Honor customer Introduction

FAQ

Is your software interface in English?
English interface and Chinese interface are both available.
Do you have oversea after sale service?
We can offer technical support abroad. If you have any technical problem, our engineers will support you promptly.
It's hard to use the machine?
Machine is very intelligent and easy to operate, like the intelligent phone, also the software is made by our company, so we know how to make it more intelligent and operate friendly.
Why should you buy from us not from other suppliers?
We are high-tech professional manufacturer of SMT machine with more than 10 years with good quality and reputation. We have rich experience in helping client to start new factory and new line. "Professional, high-effective, cost-saving" are our advantages.
What is your delivery date?
The delivery date is about 20 days upon the full payment.
How is the warranty?
1. Every machine will be checked carefully before shipping out. Buyers should check the package once receiving. 2. The complete machine has a warranty period of 12 months from delivery and lifetime maintenance service. 3. We provide online Q/A and troubleshooting support and technical advice service. Provide one to one after-sale service.

Find me on Whatsapp: +86 19880662073 and let's discuss more. Thank you!

Good Day!
