Minimum mounting 0201 LED CIRCUIT BOARD DISPLAY Mounting MACHINE

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC,SIRA,CE
- Model Number: YT202
- Minimum Order Quantity: 1PCS
- Packaging Details: We use vacuum wooden box packaging
- Delivery Time: 5-8days
- Payment Terms: L/C, T/T
- Supply Ability: 50pcs/month

Product Specification

- L*W*H(mm): 2317*1376*1762mm
- Total Weight: 1700kg
- PCB Size(L*W): Max Size:500*450mm(single PCB)
- PCB Thickness: 0.5-4.5mm
- System: Windows7
- Power: 380AC 50HZ

Product Description

Minimum mounting 0201 LED CIRCUIT BOARD DISPLAY Mounting MACHINE

Feauture

New upgrade pick and place machine, it is using High-end integrated placement head, no need change mounting head and place all SMD components. Non replace modular head

High precision camera, the camera is using vision alignment, Tri-color lighting technology, could recognition mini components and IC pin

With automatic PCB board feeding conveyor system, suitable for from 50*50-500*450mm PCB size

Intelligent electric feeder, support double head intelligent electric tape reel feeder, by optically correcting the feeding position of the component. It can achieve stable, accurate and high-speed feeding.

The Technical parameter

1. PCB
Suitable for max PCB size is **500*450mm,** mini size is 50*50mm
PCB using cylinder clamping, track width adjustable for clamping
The Rail 1 is fixed but other is flexible
The PCB thickness is **0.5-4.5mm**
2. Camera
The No.of camera is 4sets digital camera, head flight vision recognition component, vision alignment, mark correction
3. Precision
The repeat precision is ±0.02mm, support for 0201-40*40 IC
4.Component Range
Mini **0201-40*40mm** package and IC, apply to BGA, CSP etc.
Max mounting height is 20mm
5.Mounting speed
The optical speed is **90000 CPH** with **20 mounting heads**

YT202 NON replace modular head
0201-10mm tape reel packge and IC tray feeder
90000CPH

Other machines

We not only provide mounter, but also printing machine, loading machine, docking station, reflow soldering, transplanter, reflow soldering, etc

FAQ

Q:If I buy your product, what can I get?

A:As long as you buy our machine, we will provide free door-to-door installation (free replacement for any damaged parts within the warranty period), free technical training, 7-day and 24-hour online video teaching, lifelong free software update and other services.

Q: What is your delivery date?

A:The delivery date is about 20 days upon the full payment.

Q: What is your payment terms?

A:100% payment before delivery or 50% deposit in advance and the rest before shipment.
