

380V AC SMT Pick And Place Machine LED Light Making Machine For 0201 Component

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE, CCC, ISO
- Model Number: YT-101S
- Minimum Order Quantity: 1 set
- Price: USD 40000~50000
- Packaging Details: WOODEN BOX
- Delivery Time: 30 DAYS
- Payment Terms: T/T
- Supply Ability: 100 SETS/PER MONTH

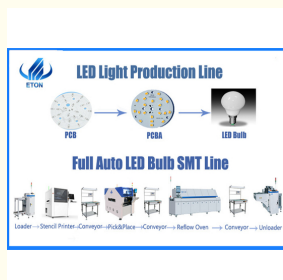

Product Specification

- Name: Pick And Place Machine
- Weight: 1700KG
- Length: 2788MM
- Feeder Stations: 32
- Power: 380AC 50Hz
- Components Space: 0.2MM
- Mounting Height: 40MM
- Power Consumption: 8Kw
- Maximum PCB: 500*350MM
- Highlight: 380V AC SMT Pick and Place Machine ,
380V AC LED Light Making Machine,
Vision alignment LED Light Making Machine

Product Description

New SMT Pick and Place Machine LED Light Making Machine for 0201 Component

Description:

Brand: ETON
 Application: Different kind of electrical PCB boards
 Warranty: 1 year
 PCB Length Width: Max:500*350mm Min:50*50mm
 Weight: 1700 kg
 Power/power consumption: 380AC, 50Hz/ 4kw

Technical parameters	
Length*Width*Height	2788*1686*1375mm
Total Weight	1700kg
PCB Length Width	Max:500*450mm Min:50*50mm
Mounting Precision	±0.02mm ,Vision alignment, Mark vision
Mounting speed	40000 CPH
Components	resistor, capacitors, shaped components, LED chips etc.
power/power consumption	380AC, 50Hz/ 6kw
No. of Feeders Station	32 PCS
No. of nozzles	10 PCS
Mounting Height	<20mm
Feeding way	Intelligent double heads feeder
No. of Camera	2 sets of imported camera
PCB Thickness	0.5mm~4.5mm

Features

1. Dule Modules double systems, can produce two different products at same time.
2. 20 heads with flight identification, mark correction.
3. High precision machine for display screen, driver and other electronic PCB boards and so on.

Application:

1. PCB manufacturer
2. SMT process factory
3. PCBA making factory
4. Home appliance PCB board manufacturer

How can we get the installation and training well?

Usually we will send our engineer to your factory to install and train your people. And our engineer won't come back until your people learn all process and do well.
 At this special covid period, if we don't have local engineer in your country, we will also guide one step by one step with your team by wechat or other online ways, taking video or other measures and arrange one-to-one engineers. To support you fast and best.

Can you share the raw materials suppliers when we need?

We are the largest manufacturer of SMT machines in China. We have occurred 85% market in China and has exported our machines to India, Vietnam, Korea, Japan, Turkey, Tunisia, Egypt etc more than 20 countries and areas.

So we cooperate with many clients. And has many resources of the raw materials also. If you need our help on raw materials then we can share our resource to support you well.

But at present I think the most important thing for you is to confirm which types of machines you want. Cause if no machines, then no manufacturing and you no need raw materials to production.

ETON HONOR SERIES YT101S

Mounting speed: 40000 CPH

Repeat precision: $\pm 0.02\text{mm}$

**Components: 0201-40*40 mm
packaging material and IC material**

Feeder station:

tape reel packages 32 PCS
