

## led bulb and led display assembly machine with 40000 CPH high accuray smt machine

### Our Product Introduction

for more products please visit us on [smtmountingmachine.com](http://smtmountingmachine.com)

#### Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE , ISO , CCC
- Model Number: YT101S
- Minimum Order Quantity: 1 unit
- Packaging Details: Vacuum wooden packing
- Delivery Time: 15-30 days
- Payment Terms: L/C, T/T
- Supply Ability: 50 Unit per month

High Precision SMT Pick and Place Machine

#### Product Specification

- Brand: ETON
- Name: Smt Pick And Place Machine
- Dimension: 2154\*1376\*1762mm
- Feeding Way: Intelligent Double Head Feeder
- PCB Size: 500\*350mm
- No. Of Camera: 2 Sets (digital Camera)
- Mounting Speed: 40000 CPH
- Software: R&D Independently

## Product Description

### led bulb and led display assembly machine with 40000 CPH high accuray smt machine

#### Machine main Parameter of YT101S led bulb and led display assembly machine

name	SMT pick and place machine
PCB size	MAX size: 500*350mm MIN size: 50*50mm
PCB thickness	0.5-4.5mm
PCB clamping	Cylinder clamping, track width adjustable
software	R&D independently
Production management MES system	Customized(option)
Off-line programming	available
No. Of camera	2 set (digital camera) Head flight vision recognition component Vision alignment+ mark correction
Mounting speed	40000 CPH(optimum speed)
Brand	ETON
Mounting accuracy	±0.02mm
Feeding way	Intelligent double head feeder
Dimension	2154*1376*1762mm

#### The production line Of YT101S led bulb and led display assembly machine

Fully automatic production lines are more efficient, more accurate and more stable than semi-automatic production lines, and require less labor.

#### Products and components

Applications: YT101S is appl to various products: LED lights (led bulbs, DOB, street light, flood light, down light, spot light, table light, tube light, led flexible strip light, etc ), led display, power driver, electric board, homehold applications etc.

Components: YT101S can reach higher mounting precision, apply to 0201-40\*40mm package and IC etc.

Bulb PCBA	DOB PCBA	Electric board	Power driver	Home appliance control panel
LED bulb	DOB	LED street light	LED spot light	LED Display
Panel light	Corn light	LED high bay light	LED down light	Lens products

#### Client factory show

We have rich experience (more than 10 years) in LED light production line program. we have already helped many clients set up the bulbs production line, street light production line, led display production line, led flexible strip production line and so on.our clients are from various countries, such as India, Egypt, Turkey, Iran, South Africa, Brazil and so on.

#### FAQ

1. Does your machines have quality certificates?

We are high-tech enterprise with CE, SIRA, CCC , ISO awarded as "Well-know brand" and many technology patents, and have rich experience (more than 10 years) in LED light production line program.

2. Do you have oversea after sale service?

We can provide technical support abroad. If have any technical problems, engineers will provide timely support. We have India office, Indian engineer, Egyptian engineer, etc.

3. What about the package?

We use the professional and standard packages——wooden box package

4. What about the delivery?

Under normal circumstances, pay the deposit within a week delivery.
